

## Introduction talk PIP of 2-3 hours

**“tailor-made to the demand of your organisation - by Aad Kessler of WENR”**

If you consider to work with PIP and apply it in your projects, then this is the right way to start! This introduction PIP-talk gives your organisation a quick overview of the key principles of the PIP approach and provides solid ideas how to use it within your own projects. It consists of 3 sessions or parts, which can be made shorter or longer depending on the time available and the wishes of your organisation:

### Session 1:

**The PIP approach in Burundi – principles, philosophy and lessons learned**

### Session 2:

**The PIP approach in practice – the different phases, results and how to start**

### Session 3: Plenary, next steps and how to start!
