

Postharvest Unlimited

Postharvest Ornamentals

## Day 0 | 14 May 2023: Welcome Reception

### Day 1 | 15 May 2023

● Room 'Podium'

● Foyer

● Parallel sessions in different rooms

08.00	● Registration of the conference		
08.45	● Opening of the Conference		
09.15	● <b>Fruits, Vegetables &amp; Ornamentals</b> Keynote by Ernst Woltering (Fruits & Vegetables & Ornamentals)		
10.00	● Coffee/tea break and Poster viewing		
10.30	● <b>Innovations in postharvest technology and engineering</b>		
12.00	● Poster session with Lunch		
13.30	● <b>Postharvest Unlimited</b> Systems biology and new insights in PH physiology		● <b>Postharvest Ornamentals</b> New insights in PH physiology of ornamentals
15.00	● Coffee/tea break and Poster viewing		
15.45	● <b>Postharvest Unlimited</b> Growing for quality - interactions between pre- and post-harvest factors.		● <b>Postharvest Ornamentals</b> Breeding and growing for quality
17.15 - 20.00	● Wageningen City tour and Parallel Workshops on Sustainability / Low-tech postharvest / Non-destructive sensing		

### Day 2 | 16 May 2023

● Room 'Podium'

● Foyer

● Parallel sessions in different rooms

08.00	● Registration of the conference		
09.00	● <b>Postharvest Unlimited</b> Novel sensing and robotics		● <b>Postharvest flower physiology (part 1)</b>
10.15	● Coffee/tea break and Poster viewing		
11.00	● <b>Postharvest Unlimited</b> Sustainability of fresh products in the chain		● <b>Postharvest flower physiology (part 2)</b>
12.00	● Poster session with Lunch		
14.00 - 15.00	● <b>Postharvest Unlimited</b> Breeding for postharvest quality, including omics and gene editing techniques		● <b>Postharvest Ornamentals</b> Sustainable transport of ornamentals
15.00 - 16.00	● Coffee/tea break and Poster viewing		
16.00 - 17.00	● <b>Postharvest Unlimited</b> Quality modeling and digital twins		● <b>Postharvest Ornamentals</b> Phytosanitary issues and solutions
19.00	● Conference Dinner at Hotel De Wereld		

**WAGENINGEN**  
UNIVERSITY & RESEARCH

# Day 3 | 17 May 2023

● Room 'Podium'

● Foyer

● Parallel sessions in different rooms

08.00	● <b>Registration of the conference</b>		
09.00	● <b>Postharvest Unlimited (parallel session)</b> Health and nutrition		● <b>Postharvest Unlimited (parallel session)</b> Fresh-cut fruits and vegetables 
10.15	● Coffee/tea break and Poster viewing		
11.00	● <b>Postharvest Unlimited (parallel session)</b> Ripening and Senescence (part 1)		● <b>Postharvest Unlimited (parallel session)</b> Novel packaging and coatings 
12.00	● Poster session with Lunch		
13.30	● <b>Postharvest Unlimited (parallel session)</b> Ripening and Senescence (part 2)		● <b>Postharvest Unlimited (parallel session)</b> CA / MA / Interactive storage technologies part 1 
14.30	● Coffee/tea break (30 min) and ISHS business meeting (14.45-15.15)		
15.15	● <b>Postharvest Unlimited (parallel session)</b> Omics to unravel postharvest quality		● <b>Postharvest Unlimited (parallel session)</b> CA / MA / Interactive storage technologies part 2 
16.00	● <b>Farewell</b> Closing ceremony with drinks, closing speech by Ernst Woltering
