## **Abstract template**

**Here goes the title of the abstract (Times New Roman, 14)**

*Name Surname<sup>1\*</sup>, Name Surname<sup>2</sup>, Name Surname<sup>1,2</sup> (Times New Roman, 12)*

*<sup>1</sup> Chair group, Wageningen University & Research, The Netherlands*

*<sup>2</sup> Chair group, Wageningen University & Research, The Netherlands*

*\* Corresponding author. E-mail: name.surname@wur.nl*

You can start typing the text of the abstract here, using the Times New Roman font, size 11 points, single-spaced, justified. Do not indent paragraphs. Set the paper size to A4, with the top margin 3cm, bottom margin 3cm, and left and right margins 2.5 cm.

The abstract has a maximum number of words of 300 and can optionally contain one (1) graphical abstract (cannot contain table or footnotes). The full abstract (text and graphical) should fit within the page margins.

*Italics* should be used only for scientific names (e.g. *Sus scrofa*). Acronyms should be written without dots (e.g. STW). For digits, use the point as decimal separator.
