

## Application form clothing subsidies

SSAs can submit an application for clothing subsidy if the WUR logo is fully printed on the clothing. In principle, this subsidy can only be requested for competition clothing. Competition clothing is defined as clothes that one person wears during a competition. If members of an SSA do not participate in a competition, the association can request subsidy for sports related association clothing.

SSAs that apply for such a subsidy for clothes have a duty to print the WUR logo on the relevant clothing. Such printing is subject to the condition that the WUR logo is clearly visible and must be as or more visible than any other sponsor or logo.

The value of the maximum subsidy depends on the size of the relevant SSA and applies for 1 year. The subsidy amounts to €150,- in the case of an SSA with fewer than 30 members, €200,- in the case of an SSA with 30 to 50 members, €250,- in the case of an SSA with 51 to 70 members, €300,- in the case of an SSA with 71 to 90 members, €350,- in the case of an SSA with 91 to 110 members and €400,- in the case of a SSA with more than 110 members. An SSA itself is responsible for spreading the amount that is to be spent over the year. The amount of the maximum subsidy depends on the number of members with annual student sports rights as registered in the BSA on January 1<sup>st</sup> and is valid for one year.

An SSA receives a subsidy equivalent to 50% of the purchase price payable for each piece of clothing subject to a maximum of €20,- each (the purchase price includes printing costs).

The form will only be taken into consideration if it is filled in completely.

*The undersigned,*

Date	
Name and function board member	
Association	
Amount (in case of more pieces of clothing, name the amounts separately)	
Price per garment (including printing costs)	
Total price	
Requested subsidy amount
