

Invitation for conference dinner May 16, 2023, 19.00-22.30 hrs
Location: Hotel WICC, Lawickse Allee 9, 6701 AN Wageningen
<https://www.wicc.nl/en/>

VII International Conference Postharvest Unlimited & XII International Symposium on Postharvest Quality of Ornamental Plants

The conference dinner will take place on Tuesday evening May 16, 2023 at the International Congress Center also known as WICC. The WICC is located in the centre of Wageningen and has a beautiful setting enabling all of us to enjoy food and drinks both inside as well as outside.

Dinner includes a starter, an informal BBQ buffet including vegetarian food and will be concluded with a grand dessert buffet.

Feel welcome and enjoy a wonderful evening with nice colleagues, nice music and good food. In case the weather conditions allow us we can enjoy the BBQ outside on the terrace. In case you think it is too cold, feel free to bring a warm sweater or sit inside. Dinner is included in the registration fee and everybody who has registered, is welcome! We look forward to a nice evening, raising a glass to successful conference days in Wageningen in 2023, and in the future at a to be determined location.
