

Corona guidelines Forum, Orion and Leeuwenborch

Facilities and Services

- Maintain 1.5 metre distance towards others.
- Disinfect and wash your hands when you enter te building.
- Routes around the education buildings and all other buildings are indicated by the arrows on the floor.
- Avoid using the toilets if at all possible. Only one person can be in a toilet facility at any time. Wash your hands after using the the toilets.
- Lockers are not in use.
- The basement bicycle park is closed. You must park outside.
- Do not move any furniture in the public spots or in education rooms.

Forum

- The main entrances are being used only as entrances. Several emergency stairways have been designated as exits.
- The lifts are out of use. A lift is available for disabled persons. All floors are only accessible by stairways. So allow extra time for this.
- After using a study area on the ground floor or first floor, leave the building via an emergency stairways on the west side of the building. Follow the arrows there.
- If you have any rubbish to get rid of, take it home as you won't be passing any disposal unit.
- The coffee machines on the ground floor, first and second floor are in use. The coffee machines on the

other floors are out of use.

- The printers on the ground floor and first floor are in use. The printers have been moved to the public area. The printers on the others floors are out of use.

NB Building caretakers can be identified by yellow vests. Where possible they will of course follow the one-way traffic rules and 1.5 metre distance. But they may need to head the opposite way to carry out their duties.

Orion

- The main entrance is used only as entrance. Use the entrance at the Forum site as an exit. Several emergency stairways have been designated as exits.
- The lifts are out of use. A lift is available for disabled persons. All floors are only accessible by stairways. So allow extra time for this.
- If you have any rubbish to get rid of, take it home as you won't be passing any disposal unit.
- The coffee machines on the ground floor are in use. The coffee machines on the other floors are out of use.
- The Spot is a Take Away Restaurant for coffee and lunch.

NB Building caretakers can be identified by yellow vests. Where possible they will of course follow the one-way traffic rules and 1.5 metre distance. But they may need to head the opposite way to carry out their duties.
