UOW COURSE HANDBOOK

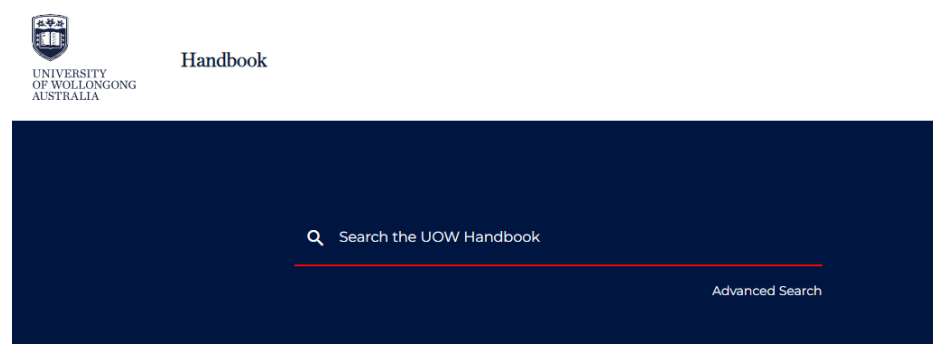

QUICK REFERENCE GUIDE

To view all available subjects at UOW, you will need to access the course handbook [here](#).

Navigate to the year you will be attending UOW to view the correct handbook. If that year is not available, use the most recent year – for example 2022.

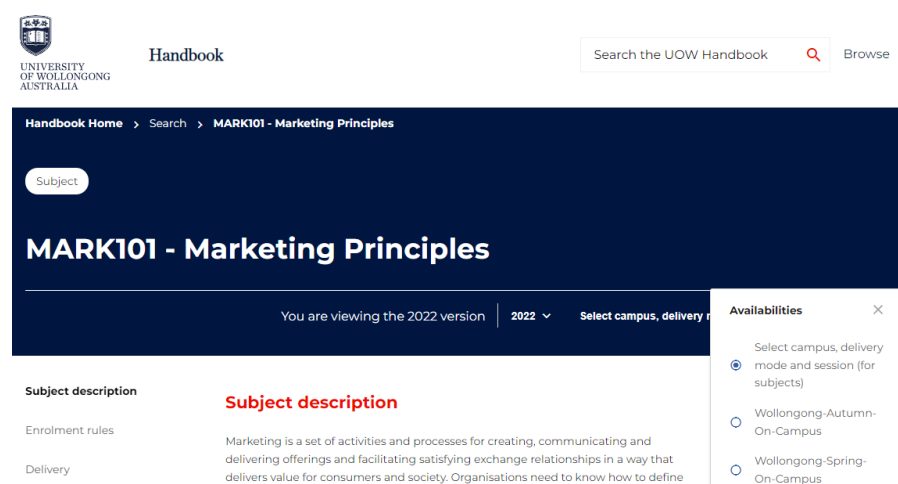

Option 1

You can search a subject, major or course directly via the search bar.

Once the subject comes up in the search results, you will need to navigate to the bottom right of the search bar and select the correct delivery mode and location.

For example, if you are attending in Spring 2022, you will need to select this from the drop down menu.

You will be able to confirm when the subject is offered in Autumn (February-June) or Spring (July-November) by looking under the 'Delivery' section of the subject description.

Option 2

Select Advanced Search to apply filters to your search.
