

<b>General field</b>	<b>Specific field</b>	<b>ISCED code</b>
Animal Sciences	All	0841
Applied Communication Science	All	0310
	Health and Society	0310
Aquaculture and Marine Resource Management	All	0831
Bioinformatics	All	0511
Biology	All	0511
Biosystems Engineering	Agricultural Engineering (Farm technology)	0710
	Process Dynamics	0720
	Information Technology	0610
	Environmental Technology	0520
	Agrologistics	0710
Biotechnology	All	0510
Climate studies	All	0532
Data Science for Food & Health	All	0688
Development and Rural Innovation	All	0314
Earth and Environment	All	0532
Environmental Sciences	All	0521
Food Quality Management		0721
Food Safety	All	0721
Food Technology	All	0721
Forest and Nature Conservation	All	0821
Geographical Information Management and Applications		0532
Geo-information Science		0532

International Development Studies	Sociology of Development	0314
	Economics of Development	0310
	Communication, Technology and Policy	0310
International Land and Water Management	All	0521
Landscape Architecture and Planning	All	0731
Leisure, Tourism and Environment		1015
Metropolitan Analysis, Design and Engineering	Metropolitan Analysis, Design & Engineering	0731
Management, Economics and Consumer Studies	Management Studies	0410
	Consumer Studies	0310
	Economics, Environment and Governance	0311
	Management , Innovation and Life Sciences	0410
Molecular Life Sciences	All	0531
Nutrition and Health	All	0910
Resilient Farming and Food Systems	All	0810
Plant Biotechnology	All	0510
Plant Sciences	Crop Science	0811
	Greenhouse Horticulture	0812
	Natural Resource Management	0810
	Plant Breeding and Genetic Resources	0810
	Plant Pathology and Entomology	0810
Urban Environmental Management	Environmental Economics	0532
	Environmental Policy	0532
	Environmental Systems Analysis	0532
	Geo-information Science	0532
	Management Studies	0532
	Land Use Planning	0731
	Urban Environmental Technology and Management	0532
Water Technology		0532
Health and Society (specialisation)		0310
Sensory Science (Specialisation)		0721

Organic Agriculture	Agro-ecology	0810
	Consumer and Market	0810
Plant Biotechnology	Functional Plant Genomics	0510
	Plants for Human and Animal Health	0510
	Molecular Plant Breeding and Pathology	0510
Plant Sciences	Crop Science	0811
	Greenhouse Horticulture	0812
	Natural Resource Management	0810
	Plant Breeding and Genetic Resources	0810
	Plant Pathology and Entomology	0810
Urban Environmental Management	Environmental Economics	0532
	Environmental Policy	0532
	Environmental Systems Analysis	0532
	Geo-information Science	0532
	Management Studies	0532
	Land Use Planning	0731
	Urban Environmental Technology and Management	0532
Water Technology		0532
Sensory Science (Specialisation)		0721
