

Required title pages for a joint PhD thesis defended at Wageningen University

If requested by the partner university, the thesis cover and/or the first title page may contain the logos of both universities.

First title page of a joint PhD thesis

The *Phytophthora infestans* avirulence gene X5yz and its potato counterpart A6

Piet A. Ardappel

(This is a fictional example)

Second title page of a joint PhD thesis

Professors with personal or special chairs must be explicitly indicated as such in the list of promotors. Their affiliation must also be listed.

The list of co-promotors must state their positions and affiliations.

The affiliation of WUR promotors and co-promotors consists of their basic organisational unit (chair group or business unit) plus Wageningen University & Research as main affiliation.

The other members (the opponents) are listed with their main affiliation.

Affiliations outside the Netherlands must also include the name of the country.

Thesis committee
