The **Online Language Support (OLS)** is waiting for you!

The **Online Language Support** provides a range of interactive and engaging language learning activities to help you learn a new language or master a language you've already studied. The best part is that it's designed to cater specifically to the needs of each learner. It only takes a few seconds to set up your profile and begin your language learning journey today! <u>Our intro module quickly walks you through the process of creating an account</u>, which you can use to access OLS and lots of other short courses on the EU Academy.

In order to complete your mandatory OLS Placement test. Please follow these steps:

1. Visit <u>EU Academy (europa.eu)</u> Click on log-in and create an account.

2. Log in. To enter the "Learn a New Language" page, click on "Join community" or "Resume". *If you already have an account, log in and search for "Learn a New Language" in the searching tool at the top of the page.*

3. Scroll down and click on the main language of the courses followed at your host university under "Spotlight" (for example: if you will go to Portugal but your exchange will be in English, choose the English Learning Community and Resources).

4. At the selected language click on "Join Community" or "Resume". After the first log-in you can also find your Language communities at your Dashboard.

5. Scroll down and click on "Placement Test" (for example: Swedish Placement Test.

6. Click on "Enrol". Scroll down and click on "Attempt quiz now". You will now start the OLS language test.

7. Complete the OLS language test (at the end click on "Finish review" to see your assessment results).
