

Adequate educational facilities

Adequate facilities by 'Study Anyplace Anytime'.

Study Anyplace Anytime

Goal: More digital facilities easily available for all students by using their own device.

Approach: Implementation of Study Anyplace Anytime.

Planned result: Launch the WUR app store.

Students will be able to use WUR apps from the virtual app store at any time and any place.

Realised result: WUR Appstore available and promoted with onlinen campaign among students: 'Are you ready!'. This resulted in 40% more requests at the servicedeask and servicepoint and 45% increase of visitors of the website about the WUR Appstore. 6524 unique users downloaded the Appstore on 7366 deviced. We offer 180 different software via the WUR Appstore.
