

SUMMER ACADEMY

Linköping University (LiU) hereby invites your students to take part in the Linköping University Summer Academy!

The [LiU Summer Academy](#) will be held 28 June - 27 July 2024 in Linköping, Sweden.

Students get to choose from eight high-quality bachelor level courses (7.5 ECTS) taught in English and gain cultural insights together with other students from LiU's international partner universities all around the globe. The LiU Summer Academy students are not affected by the Swedish Migration Agency's extended passport control as the students will be studying in Sweden less than 90 days.

LiU strives for a good mix of students and partner universities are welcome to nominate a maximum of 5 students per course. For students from LiU's partner universities, the LiU Summer Academy is tuition free. Along with lectures and course work, our LiU Summer Academy student hosts have organised a fun and social programme students can take part in.

Housing will be provided; a completely furnished single room with access to a fully equipped shared kitchen and a final exit cleaning together with a regional buss pass at a total cost of SEK 6 500.

Please download the [questions and answers booklet](#) for common questions about the LiU Summer Academy as well as [the nomination certificate and promotional flyer](#). We kindly ask you to observe our new website's URL: <https://liu.se/en/education/liu-summer-academy>
