

The Vancouver Summer Program (VSP) is an opportunity for undergraduate students to study at the University of British Columbia in Summer 2023. This year, we offer two sessions for students to experience studying at UBC:

**June Session: June 2 – July 2, 2023**

Application deadline: March 11, 2023 (*\*extended from February 18, 2023*)

**July Session: July 14 – August 14, 2023**

Application deadline: April 8, 2023 (*\*extended from April 1, 2023*)

Our application is now open to students and they could apply either by themselves or through their institutions. The [application requirements](#) can be found on our website. Should your institution send 24 or more students to our program, we are able to sponsor a chaperone. Chaperones come along with their students to help the students settle into Vancouver and address any immediate questions. The sponsorship covers the chaperone's accommodation costs and medical insurance. We also have chaperone specific events throughout the duration of the program.

Alternatively, we could provide \$200 CAD discount per student if you decide not to send a chaperone to accompany a group of 24 or more students to our program.

If you have any questions or inquiries, please contact us at [vsp.ubc@ubc.ca](mailto:vsp.ubc@ubc.ca). If you'd like, sign-up to receive our newsletter, the VSP Scoop, [here](#).

We look forward to welcoming your students to study in North America's most international University and connect with other globally-minded students!

Regards,

Caroline
