* Based on the DAC List of ODA Recipients Effective for reporting on 2024 and 2025. This list shows all countries and territories eligible to receive official development assistance (ODA). These consist of all low and middle income countries based on gross national income (GNI) per capita as published by the World Bank, with the exception of G8 members, EU members, and countries with a firm date for entry into the EU. The list also includes all of the Least Developed Countries (LDCs) as defined by the United Nations (UN).

On the eligible countries list are included the LDCs, and the DACs with low income and with lower middle income.
