

# NAC 2016

13th Nederlands Aardwetenschappelijk Congres – [www.nacgeo.nl](http://www.nacgeo.nl)

**7 & 8 April 2016**

For the 13th time the Nederlands Aardwetenschappelijk Congres (NAC) will be organized. NAC is an initiative from the Netherlands Organization for Scientific Research (NWO) and the Royal Dutch Geological and Mijnbouwkundig Genootschap (KNGMG). NWO and KNGMG now financially support the NAC conferences.

For a limited amount of groups there will be the possibility to organize their own meeting in Veldhoven during the parallel sessions.

For more information see [www.nacgeo.nl](http://www.nacgeo.nl).
