Introduction

This decision contains the rules of Wageningen University for enrolment and termination of enrolment for those who can not enrol as a regular student or extraneus in a study programme at WU, but only for parts of a programme or for courses. This is called non-regular education. Enrolment as a student, linkage student or extraneus is part of the Regulations of Enrolment regular education 2016-2017.

Wageningen University distinguishes five forms of enrolment for non-regular education:

- National guest student (Section 3)
- International guest student (Section 4)
- PhD candidate (Section 5)
