

Major suppliers of plant toxins calibration standards

ABCR

<https://www.abcr.de/shop/en/catalogsearch/advanced/result/?name=solanine>

Different solid plant toxin standards

Acros organics

https://www.acros.com/DesktopModules/Acros_Search_Results/Acros_Search_ResuIts.aspx?search_type=CatalogSearch&SearchString=atropine

Some specific solid plant toxin standards

Aktin-chemicals

<http://www.aktinchem.com/product/18/>

Some specific solid plant toxin standards

Alfa Aesar

<https://www.alfa.com/en/catalog/A10236/>

Some specific solid plant toxin standards

Alfarma s.r.o.

<http://www.alfarma.com/products/>

Some specific solid plant toxin standards, custom synthesis

Bioaustralis

<http://www.bioaustralis.com/products.php?pd=dir&rec=AB>

Solid single some alkaloid and glycoside standards

Carbosynth

<https://www.carbosynth.com/carbosynth/website.nsf/all-products-by-sub-category!openview&restricttocategory=Natural%20Products-Alkaloids&cat=6-1&start=1&count=50>

Different plant toxin standards

Cayman Chemicals

<https://www.caymanchem.com/Search?q=scopolamin>

Single solid standards of different plant toxins

CDN isotopes

<https://cdnisotopes.com/>

Different plant toxin standards, including isotopically labelled

Cerilliant

https://www.cerilliant.com/shoponline/product_cat_list.aspx?text=phytochemicals

Wide range of single solid and liquid plant toxin standards, including isotopically labelled

CFM Oskar Tropitzsch

<https://www.cfmot.de/en/produktgruppe/toxins/>

Some specific solid plant toxin standards

Chem Service Inc

<https://www.chemservice.com/catalogsearch/result?cat=3&q=atropine>

Some specific solid and liquid plant toxin standards

Chemexper

<https://www.chemexper.com/>

Single solid plant toxins from different suppliers

Chromadex

<https://chromadex.com/phytochemical-reference-standards/>

Wide range of single solid plant toxin standards

Chiron

<http://shop.chiron.no/main.aspx?page=articlelist&requery=1&searchstr=atropine&searchfld=>

Wide range of single solid plant toxin standards

Dextra Laboratories

<https://www.dextrauk.com/services1/synthesis>

Custom synthesis of different plant toxins

Extra synthese

<https://www.extrasynthese.com/triterpenoid/955-alpha-solanine.html>

Wide range of different plant toxin standards, custom synthesis

Fluka

<https://www.analytics-shop.com/gb/chemicals/standards-and-reagents.html>

Some specific solid plant toxin standards

Latoxan

https://www.latoxan.com/moleculars_product.php?id=599

Different solid plant toxin standards

Lipomed

<https://www.lipomed.com/index.php?page=378>

Some specific solid plant toxin standards including their deuterated analogues

LGC standards Limited

<https://www.lgcstandards.com/NL/en/Clinical-Forensic-andPhytochemicals/Phytochemical/Phytochemical-standards/cat/155102>

Single solid standards of different plant toxins

Phytolab

<http://www.phytolab.com/en/reference-substancesphyproofr/reference-substances.html>

Wide range of different plant toxin standards

Phytoplan

<http://www.phytoplan.de/html/katalog.html>

Some specific solid plant toxin standards

Romerlabs

<https://www.romerlabs.com/en/products/reference-materials/plant-toxins/>

Some specific solid plant toxin standards

Santa Cruz Biotechnology

<https://www.scbt.com/p/atropine-d5-5908-99-6-unlabeled?requestFrom=search>

Single solid standards of different plant toxins, including their isotopically labelled analogues

Sigma-Aldrich

<https://www.sigmaaldrich.com/catalog/search?interface=All&term=phytochemical&N=0+4294464393+104327464&mode=match+partialmax&focus=product&lang=en®ion=NL>

Broad range of single solid plant toxins from different suppliers

Tebu-bio

https://www.tebu-bio.com/search/?contexte=&autocomplete=0&type_contexte=0&search=plant+toxins

Some specific solid single plant toxins standards

VWR

<https://nl.vwr.com/store/product?keyword=atropine>

Some specific plant toxins from different suppliers
