

Adelie penguin  
*Pygoscelis adeliae*

Amphipod  
*Eusirus microps*

Antarctic Krill  
*Euphausia superba*

Amphipod  
"Red Knight"  
*Epimeria rubrieques*

Pteropod  
*Clione limacina*

Pteropod  
*Clione platkowskii*

Sea cucumber  
aff. *Bathyploetes* sp.

Amphipod  
*Hyperia macrocephala*

Feather star  
*Promachorinus kerguelensis*

Squid larvae  
Cranchiidae

Isopod  
*Natanolana oculata*

Sea spider  
Pycnogonida

# Amazing Diversity

## Marine life of Antarctica

### From the surface to the abyssal plain

Torben Riehl<sup>(1)</sup>, Nils Brenke<sup>(2)</sup>, Hauke Flores<sup>(3)</sup>,  
Michael Schrödl<sup>(4)</sup> & Rebeca Zapata Guardiola<sup>(5)</sup>

Jellyfish  
*Periphylla periphylla*

Isopod  
*Cuspidozerolis* sp.

Biogenic tubes  
of unidentified origin

Sea pen  
*Umbellula magniflora*

Isopod  
*Storthingura gigantissima*

Isopod  
*Accalathura* sp.

Sea slug  
*Bathydoris clavigera*
