

# Ecoliteracy Spring 2025

Are you interested in **giving nature education classes**, or would you like to develop these skills? Foundation **ReGeneration** gives you the unique opportunity to develop these skills, possibly in combination with your studies.

## ECOLITERACY

Students are giving ecoliteracy classes in food forest Droevendaal at the campus of the Wageningen University since 2018. Ecoliteracy is 'learning in our (natural) surroundings by our head, through our hands and with our hart. The permaculture principles are our key framework in applying these classes. **We are looking for volunteers who want to help facilitating** these ecoliteracy classes.

### What do you gain?

*Experience in facilitating outdoorclasses to primary school children (group 6, 7 and 8)*

*Outdoor time in the food forest, creative garden and forest*

*Thesis and internship opportunities*

*A lot of fun and learning moments*

### When

*7, 14, 21 and 28 of March  
16, 23 of May  
6, 13, 20 en 27 of June  
From **9:45 - 11:45 and/or 12:00 - 14:00**  
(You do not need to be present at all dates and times)*
