## Estimate of costs BSc study 2020-2023

Non-EU/non-EFTA nationalities

WAGENINGEN  
UNIVERSITY & RESEARCH

A bachelor's study programme at Wageningen University will take at least 3 academic years. Non-EU/EFTA students should take into account that three years of bachelor's study will cost approximately €83,370.00.

The estimate of costs presented below is based on three years of study for a student who must pay the institutional tuition fee 3 for non-EU/EFTA<sup>1</sup> nationals.

**Tuition fees:** The institutional tuition fee 3 (for non-EU/EFTA nationals) is determined by the Executive Board of Wageningen University each year. You will have to pay the institutional tuition fee 3 if you do not meet the nationality requirement. Please see the factsheet 'Bachelor's students - Tuition fees 2020-2021' for further information on tuition fees.

The institutional tuition fees for the academic years 2021-2022 and 2022-2023 are not yet known and will be determined in May 2020 and May 2021 respectively.

Academic year 2020-2021: bachelor's institutional tuition fee 3 = €15,700.00

Academic year 2021-2022: bachelor's institutional tuition fee 3 = €15,800.00 (estimate)

Academic year 2022-2023: bachelor's institutional tuition fee 3 = €15,900.00 (estimate)

**Living expenses:** The minimum amount you will require for living expenses is approximately €900.00 a month. This includes housing (approx. €400.00 a month), food, books and study materials. Students who arrive in Wageningen mid-August will require an extra half month, €450.00, for living expenses. Wageningen University is obliged to prove to the Immigration Authorities that students have adequate financial resources. For that reason all students who require a residence permit need to transfer the living allowance to the bank account of Wageningen University. Wageningen University will administer the funds during their study and refund the living allowance on monthly basis.

**Insurance:** Another expense to consider is insurance for health and legal liability.

**Residence permit:** Wageningen University applies for the entrance visa and residence permit for every new non-EU student who is going to start a study at Wageningen University. The total cost for the entrance visa and residence permit have to be paid by the student before Wageningen University will start applying for the visa and permit.

**Handling Fees:** Administration and support cost from the student service centre concerning the finances, the entrance visa and the residence permit.

Estimated total costs for 3 years:

Tuition Fee	:	€47,400.00
Living expenses	:	€32,850.00
Health insurance	:	€2,250.00
Residence permit	:	€195.00
Handling fees	:	€675.00

The estimated total costs for students with a non-EU/EFTA nationality and who have to pay the bachelor's institutional tuition fee 3 (ic3) are €83,370.00. This does not include travel costs to and from the Netherlands.

The mentioned amounts apply to students starting in September 2020 and may be subject to change.

<sup>1</sup> EU = European Union

EFTA = European Free Trade Association (Iceland, Liechtenstein, Norway, Switzerland)

Tuition fee is paid per academic year. Wageningen University will send students who pay the institutional tuition fee mentioned an invoice. The total amount for the 1<sup>st</sup> year, estimated at €31570, has to be paid into our bank account before the deadline mentioned on the invoice. Wageningen University will start the entry visa procedure upon receipt of the total amount for the 1<sup>st</sup> year of study. The amount for the second year will have to be paid before July 1, 2021 and for the third year before July 1, 2022. In the amounts to be paid, living expenses are included. Each month, the University will refund 900 euros of this amount into the student's bank account.

Payment in a currency other than euro's should be equivalent to the above amounts (differences in exchange rates are not acceptable).

Note: Non-EU students who will open a Dutch bank account upon arrival, are strongly advised to bring a credit card (Visa or Mastercard) or cash for the first month. Since it will take a few weeks before you receive the living allowance from the University on your Dutch bank account. You will need the credit card or cash to pay for rent, groceries, transportation, a bike and sometimes furniture, books or a phone card. You are advised to bring at least 300 euros, but preferably between 500 to 1000 euros.
