

MSc Theses **Landscapes Architecture**

All available information on MSc theses in the LAR archive
(title - student - supervisor - year - location)

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Landschapsbouw. Een afstudeervak over wonen in het landelijk gebied.	Pamela van den Berg Reinout Lindemans	Paul Roncken Berdie Olthof	2002	August	Mid-Limburg, NL
Livin' on the Edge.	Eric-Jan Pleijster Cees van der Veeken	Klaas Kerkstra	2003	March	Utrecht-Oberhausen, NL and Germany
Oost, west thuis best. Een onderzoek naar Streekeigenheid in Uitbreidingswijken.	Leonieke Helders Margriet Snaaijer Corin Visser	Paul Roncken Frank Josselin de Jong	2003	April	Blauwe Stad, Brandevoort, IJburg, Kattenbroek, Leidsche Rijn, Waalsprong, NL
Ruimte voor verandering. Een strategie om ruimte voor verandering te creeren in Deventer.	Lara de Graaf Anneke Rommers	Paul Roncken	2003	May	Bergweide, Keizerslanden, NL
Twee perspectieven op landgoedontwikkeling in het Hunzedal.	Joram Plantenga Reinout Lindemans	?? Paul Roncken	2003	May	Hunzedal, Groningen, NL
Leefstraat. A jouney to the city that lives.	Michiel Mulderij	Paul Roncken Frank Josselin de Jong	2003	August	Osdorp, NL
Een kritische verkenning van de getekende presentatietechnieken in de Nederlandse Landschapsarchitectuur na 1993.	Nanning Barth Ruben Bakker Jitse Noordermeer	Adriaan van Haaften	2003	October	Dutch office drawings
Nutopia. Solutions for suburbia.	??	??	2003	December	
Zandloper. Ontwerp voor groeve Boudewijn.	Mark van Beest	Paul Roncken Marieke Timmermans Berno Stootman	2003	December	Ossendrecht, NL
Amsterdamse School Garden. A Garden design for the Walter Maas Huis.	Lara Brand Christina Dornbusch Rozemarijn Pera Lidewij Schellevis	Paul Roncken	2004	Januari	Bilthoven, NL
Stedelijke leefstijlen en groengebruik.	Marjolein Zegwaard Marja van den Brink	Jaap Lengkeek Gerard van der Linde (DRR)	2004	Januari	Rotterdam, NL
Ode aan rode. Afstudeerproject over Sint-Oedenrode.	Marjolein Zegwaard Corin Visser	Paul Roncken Atelier Landschappen 2003	2004	July	Sint-Oedernrode, NL
BuitengeWoon.	Arjan Somsen	Paul Roncken	2004	August	Utrecht, NL
Beekdal in de Breedte	Marije Tilstra	Peter Vrijlandt Karle Sykora	2005	Januari	Tungelroyse Beek, NL
Gorcumse linie. Een robuurst gebaar.	Guido Baten Joost Vos	Klaas Kerkstra Harro de Jong	2005	Januari	Gorinchem, NL
Nieuwe vormen van stedelijk groen tegen het licht gehouden. Een onderzoek naar de wensen en de ervaringen van bewoners met nieuwe buurten in Nederland.	Janneke Grasman	Paul Roncken S. de Vries (Alterra)	2005	Januari	Arnhem, Utrecht, Nijmegen, Den Bosch, NL
De Amsterdamse School tuin.	Ernst de Jong	Paul Roncken	2005	March	Amsterdam, NL
Amendoeira da Serra. A village threatened by abandonment. How bright is the futur?	Elles ter Horst	Ingrid Duchhart Jan van Nieuwenhuize Teresa Pinta Correia	2005	April	Alentejo, Portugal
Central park Almere. De ontwikkeling van het Weerwater tot het stadspark van Almere.	Yoram van Boheemen Jos Hartman	Frank de Josselin de Jong Atelier Almere	2005	June	Almere, NL
Het landschap als regisseur van de stadsrand. Visueel onderzoek naar de ontwikkelingsmogelijkheden voor de westelijke stadsrand van Alkmaar.	Marc Kerpel	Paul Roncken Diana van den Berg (gemeente Alkmaar)	2005	August	Alkmaar, NL
Landschapspark Geleenbeek. Continuïteit, dynamiek, cultuurhistorie en recreatie in het stroomgebied van de Geleenbeek.	Martijn Gerritsen	?? Paul Roncken	2005	August	Geleen, NL
New Urban Squares. Documentation for 10 urban squares recently designed in the Netherlands.	Shady Attia	Sanda Lenzholzer	2005	October	several, NL
Drive-in Nature. Een afstudeeronderzoek over nieuwe natuurbelevingen rondom de Rotte.	Caroline Ammerlaan	Paul Roncken Sander Klaassen (dS+V)	2005	November	Rottemeren, NL
Landscape Architecture for Micro-climate improvement and Energy conservation in Egypt. Design principles and guidelines applied for the American University in Cairo.	Shady Attia	Ingrid Duchhart	2006	Januari	Cairo, Egypt
Overasselt is moi en dat mot zo blieve	Erik vd Galien		2006	Januari	Overasselt, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Imagineering the tourist landscape, paradise regained.	Marja vd Brink	Paul Roncken Jusuck Koh	2006	April	Bodrum, Turkey
Designing on the longrun. A sustainable future for Warsaw: water and urban development.	Anne Konst	Klaas Kerkstra Sake van der Schaaf	2006	June	Warsaw, Poland
Articulatie in het landschap. Onderzoek naar de mogelijkheden en toepasbaarheid van verhalen binnen de landschapsarchitectuur.	Bart vd Westen Peter Westerink	Paul Roncken Jaap Lengkeek	2006	July	Romeinse Lijn, IJssellinie, NL
Holle wegen en andere wegen met opgaande taluds.	Nanning Barth	Peter Vrijlandt	2006	July	South-Limburg, NL
De Limes als ontwerppogave. Ontwerponderzoek naad e vormgeving van de Romeinse Lijn in de ruimtelijke inrichting.	Ymkje vd Witte	Paul Roncken	2006	August	Romeinse Lijn, NL
Gebiedsontwikkeling Cel	Tom Pikkemaat	Paul Roncken Ron van Oostrum Machiel Hopman Cees Ortelee	2006	August	Twente, NL
Point of View. Herinrichting industrieel erfgoed RDM-scheepswerf.	Dagmar Walters Patricia de Wit	Sanda Lenzholzer	2006	August	Rotterdam, NL
Dredge Landscape Park, the story is in the soil.	Alexander Herrebout Gerwin de Vries	Paul Roncken Robbert de Koning	2006	September	Haarlemmerme er polder, NL
Groen=Gezond. Een ontwerp voor de buitenruimte van het MCRZ.	Femke vd Bosch	Ingrid Duchhart	2006	October	Rotterdam, NL
Water, the maximization of its appreciation.	Harro Wieringa	Rudi van Etteger Jaap Lengkeek	2006	October	Nieuw Rhijngeest, NL
Imagening the Image. Cognitive space in landscape experience Projected on 'Space for the River'.	Eveline de Kock		2006	December	Kampen, NL
Landscape and Wind Park. A landscape based strategy for the allocation of large wind parks in The Netherlands.	Jan Heersche Martijn Franssen Liezlotte Nagtegaal	Rudi van Etteger Frank Stroeken	2006	December	Drenthe, Friesland, NL
Landscape Ideas. A literature research on identity and a conceptual design using the conditions of identity in the area of Apeldoorn, Deventer and Zutphen.	Clim Soree Rosie Brader Bart Verwaard	Rudi van Etteger Klaas Kerkstra Jusuck Koh	2006	December	Apeldoorn, Deventer, Zutphen, NL
Landschappelijk perspectief op de Veenkolonien. Windturbines, energieteelt en wonen in een weidse omgeving.	Ernst de Jong	Rudi van Etteger Erik de Jong Steven Slabbers	2007	Januari	Veenkolonien, NL
Regenerative design for creating an Autarkadian Energy landscape in Jinze, Shanghai.	Yun Tang	Rudi van Etteger	2007	Januari	Jinze, Shanghai, China
Renewable energy landscape in Southern Limburg.	Yi Ding	Rudi van Etteger	2007	Januari	South-Limburg, NL
Tussen stad en dorp	Marloes Holleman		2007	Januari	South-Limburg, NL
Energy landscapes in de mijnstreek 2030	Szu-Ting Liao	Rudi van Etteger Sven Stremke	2007	Februari	South-Limburg, NL
Evaluation Report on the Green Town Movement in Kenya.	Janneke vd Wetering	Ingrid Duchhart	2007	April	Kenya
Born' Identity. Film en ontwerp. Film als inspiratiebron voor de landschapsarchitect.	Erik Bovekerk Richard Hereijgers	Rudi van Etteger	2007	May	Wageningen, NL
Dynamic Water Urbanism. Research to the interdependency of water quality, water quantity and shoreline design in urban contexts.	Femke Haccou	Paul Roncken Vincent Kuypers (Alterra)	2007	June	Haarlemmerme erpolder, NL
Kwalitatieve groei door stedelijke krimp. Een visie op de ruimtelijke ontwikkeling van Parkstad Limburg.	Felicia Luitwieler		2007	June	South-Limburg, NL
Mixed use business areas; Pioneers in the Urbanization process. A vision on how to handle the restructuring of mixed use business areas in the Netherlands.	Michiel Koks	Harro de Jong WJ Schik (Arcadis)	2007	June	Arnhem, NL
Rethining Polder Schieveen with an ecological perspective.	Paula Espinosa Aguilar	Jusuck Koh Harro de Jong PFM Opdam (ecology)	2007	June	Polder Schieveen, NL
Experiencing River Dynamics. Focussing on perception / experience within spatial quality.	Johanna Bouma	Ingrid Duchhart	2007	June	Drutensche Waarden, NL
Landgoed Tongeren. Perspectieven voor een eeuwenoud erfgoed.	Arend Middelburg Rens Wijnakker		2007	August	Epe, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Feet in the Peat. Scenario study for the Dutch peat meadow landscape, with the focus on Zegveld.	Leonie van Beek Wietske Lutz	Rudi van Etteger Marlies Brinkhuijsen Frank Stroeken (Royal Haskoning)	2007	October	Zegveld, NL
Landschapsplan Noordoost Twente	Marnix van Driel Roeland vd Gugten	Michael van Buren Peter Vrijlandt	2007	October	Twente, NL
Back to Nature. A landscape study to increase social benefits of new nature areas in Dutch peat meadow landscapes.	Stijn Heukels Martijn Franssen	Rudi van Etteger Jan van Nieuwenhuize	2007	November	Woerden- Bodegraven, NL
Dollard 21. A future design for a safe, sustainable and attractive landscape of the Eemsdelta-region.	Kasper Klap	Rudi van Etteger Rob Roggema (prov.Groningen)	2007	December	Eemsdelta, NL
Green design to improve the air.	Janneke vd Wetering	Ingrid Duchhart EM Schoenmaker-Bijt	2007	December	study
Croproadpark. Productive urban landscapes, urban agriculture in post-industrial cities.	Minke Mulder Claire Oude Aarninkhof	Ingrid Duchhart	2008	Januari	Amsterdam, NL
Groene Levensaders, meer ruimte meer groen. Analyse en concept voor Meezenbroek, Schaesberg en Palemig.	Liesbeth de Jong		2008	Januari	Meezenbroek, Schaesberg, Palemig, NL
Natuurlijk de Dreijen. Een groene inrichting voor een voormalig universiteitsterrein.	Iris Koolsbergen	Paul Roncken Klaas Kerkstra	2008	Januari	Wageningen, NL
Network of Play. A research on the playability of Dutch residential districts for children.	Koen Bakker Frank Fahnrich	Sanda Lenzholzer Magnus Weightman	2008	Januari	Amersfoort, NL
Ecological corridor Zone in Zuid-Holland, The Netherlands	Roccio Torres Mendez	Rudi van Etteger	2008	Februari	South-Holland, NL
LANDscape ARTitecture. Studie naar de rol van kunstenaars en landschapsarchitecten bij het identiteitsvraagstuk.	Daphne vd Wal Marieke de Keijzer	Ingrid Duchhart Erik de Jong	2008	Februari	Rivierengebied, NL
Rose 2.0. Design-driven research on how the Urban rainwater assignment can be deployed to keep and attract middle income class inhabitants to Rotterdam.	Adam Hofland Thamar Tax	Sanda Lenzholzer Thierry Goossens (dS+V)	2008	Februari	Rotterdam, NL
Healing urban rivers; an ecological design approach to (hu)manzanares river, Madrid.	Berta Sanz Pena	Jusuck Koh Sven Stremke	2008	March	Madrid, Spain
Hoe kan multifunctionele landbouw bijdragen aan landschapskwaliteit? Een literatuurstudie en een case-study in het Groen Woud.	Kees Neven	Rudi van Etteger D. Roep	2008	April	Groen Woud, NL
Landscape and the energy transition, envisioning sustainable energy landscapes.	Kees Neven Arjan Boekel	Rudi van Etteger Sven Stremke	2008	June	Margraten, NL
Sustainable Energy landscapes: Past, Present & Future. Exploring the use of cultural history when designing sustainable energy landscapes.	Tijmen van Straten	Sven Stremke Jelle Vervloet	2008	June	Assen-Emmen, NL
When a City embraces its paradoxes. Exploring the potential of public spaces under elevated highways: a case study in Bourj Hammoud, Beirut.	Reem Saouma	Ingrid Duchhart Jorg Rekitke	2008	August	Bourj Hammoud, Beirut
Lowland Stream Valley landscapes of the 21st century. An integral design, how a variety of functions can contribute to the development of the lowland stream valleys, intended for a better water system and spatial quality.	Dorien de Boer Stephan Schorn	Rudi van Etteger	2008	October	Overijssel, NL
More than just a facelift. Developing a landscape architectural vision for restructuring post-war dwelling areas in The Netherlands with a focus on cultural history.	Niels Frencken	Erik de Jong Jorg Rekitke	2008	October	Eindhoven, NL
Landschapsontwerp voor Fysieke en Mentale Gezondheid. Meander Medisch Centrum Amersfoort.	Fhreja Deckers Francis Vos	Ingrid Duchhart	2008	November	Amersfoort, NL
Ponds as Spatial Structuring Components in the City of Khulna, Bangladesh.	Bas vd Sande Pieter Fore	Jorg Rekitke	2008	November	Khulna, Bangladesh
Blue Fow, Green Migration. Designing ecological infrastructure with water in Maozhou River Watershed.	Ian Officer Hao Wu	Rudi van Etteger Jusuck Koh	2008	November December	Shenzhen, China
Cradle to Cradle in regional landscape design. Greenport Venlo	Arjen Meeuwssen	Rudi van Etteger Sven Stremke	2009	Januari	Venlo, NL
The future of an adaptive 'Afsluitdijk'. A landscape architectonic design of a safe 'Afsluitdijk' that expresses the unique qualities of the site.	Monique Sperling	Ingrid Duchhart	2009	Januari	Afsluitdijk, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Zoos in Transition. Thesis research about the future of zoos.	Tom Kraak	Ingrid Duchhart Raoul Beunen (LUP)	2009	Januari	Emmen, NL
	Jo Groven	Rudi van Etteger Jusuck Koh	2009	Januari	
Velo City, an energy friendly mobility sstem in the existing urban fabric.	Rens Wijnakker Anne-Sietske Verburg	Rudi van Etteger Sven Stremke	2009	March	Utrecht, NL
Designing Saline Landscapes for the future, in Zeeland	Sophia Molpheta Karim van Wonderen	Paul Roncken	2009	May	Zeeland, NL
Brown coal mining and rehabilitation: a landscape chronicle. Designing the rehabilitation of brown coal mines in Lusatia by integrating landscape narration with a landscape based approach to rehabilitation.	Rianne Knoot Renee de Waal	Paul Roncken Brigitte Scholz (Bauausstellung Furst-Puckler-Land)	2009	June	Lusatia, Germany
Flood-resilient urbanity along the Meuse. Safe-fail design suggestions	Johnny Boers Simon Pille	Ingrid Duchhart Maaïke Bos (Deltaris)	2009	June	Meuse valley, Limburg, NL
Healing Urban Landscapes phytoremediation in post-industrial urban design.	Mark Wilschut Pieter Theuws	Ingrid Duchhart	2009	August	Amsterdam, NL
The 'Lage Bergse Bos'. A design study for regional parks renewal.	Liesbeth de Jong	Marlies Brinkhuijsen Dirk Holzer	2009	August	Rotterdam region, NL
Designing Outdoor Living Space for and with the people of Pensil, Mexico City	Martijn Slob	Ingrid Duchhart	2009	November	Mexico City, Mexico
New Almere recovering Markermeer. A landscape architectonic design of Almere's urban expansion in the Markermeer.	Bojan Balen	Ingrid Duchhart	2009	November	Almere, NL
Restructuring the resettled landscape. Guiding informal activities and settlement in the Riparian landscape of the Volta Lake, Ghana.	Miranda Schut Ilse Verwer	Ingrid Duchhart	2009	November	Volta Lake, Ghana
Wetlandscapes Adaptation to climate Change on the island of IJsselmonde.	Jeroen Hamers	Rudi van Etteger	2009	November	IJsselmonde, NL
Biodivers Business Areas. A design study on the possibiliteis for Synergy between Mixed-use Business Areas and Biodiversity.	Eric Bovekerk Richard Hereijgers	Sanda Lenzholzer Robbert Snep (Alterra)	2009	November	Den Bosch, NL
Landscape is dwelling. Cantinho do Ceu, Sao Paulo, Brazil: vernacular landscapes in an urban slum.	Tomas Degenaar	Erik de Jong Jorg Rekkittke	2009	December	Sao Paulo, Brazil
Between order and chaos. Natural vegetation in the urban landscape of the 21st century.	Sabine van Ruijven	Ingrid Duchhart Charlotte Buys (DRO Adam) Pieter Boekschoten (Nieuw-West Adam)	2010	December	Eliaspark, Amsterdam, NL
A working landscape for New Orleans	Peter Hermens Jaap vd Salm Chris vd Zwet	Rudi van Etteger Ingrid Duchhart Maïke van Stiphout (DS landschapsarchitecten)	2010	March	New Orleans, USA
Water-ways to climate adaptation. A landscape-based design approach for sustainable urban water systems.	Paul van Dijk Joppe veul	Ingrid Duchhart Sven Stremke P. Veen	2010		Enschede, Gouda, NL
Mitigating land subsidence by landscape design	Fan Duanyang Li Ruixue	Ingrid Duchhart	2010	Februari	Shanghai, China
Planning a Sustainable Future for Tourism and the Environment. Environmental restoration and landscape regeneration in West Lake, Hangzhou.	Huole Geng	Marlies Brinkhuijsen	2010	June	Hangzhou, China
a_lott Rotterdam: Garden your city!	Elsa Sitsen	Erik de Jong Paul Roncken	2010	June	Rotterdam, NL
Utilizing waste for building a Resilient landscape	Xiaoyu Xu	Sven Stremke Rudie van Etteger Ljiljana Rodic	2010	June	Emmen, NL
Towards a new language of design. A desing language that fuses ecology and design.	Jeroen Matthijssen Marjo van Lierop	Jusuck Koh	2010	August	Nieuw Zuilen, Utrecht, NL
Beleef het risico. Een verkenning naar de volledige openstelling van het Grevelingenmeer.	Joeri Meliefste Annemarie Bakker	Ingrid Duchhart Wim van der Knaap	2010	August	Grevelingenmeer, Zeeland, NL
Moving the Forest to the Farm. The application of the Green Towns Approach reshaped for the case study of the Cherangani Hills in Kenya.	Hanneke Schavemaker	Ingrid Duchhart	2010	August	Cherangani Hills, Kenya
Over behoud, beheer en ontwikkeling van groen erfgoed.	Luc Joosten	Erik de Jong	2010	September	several, NL
The road in the landscape. A landscape architect's vision on Dutch rural highway design.	Geert Ankersmit	Marlies Brinkhuijsen Tijs van Loon (Bosch Slabbers)	2010	November	N318, N343, N355, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Seasonal Landscape.	Jiang Wen		2011		Utrecht, NL
Experience! When time is, for time will away ... An exploration of the phenomenon of temporary landscapes, and how we may use its specific qualities and potentials to contribute and enrich the public domain as well as the professions of landscape architecture and art.	Linda Fritschij Ricky van Lingen	Paul Roncken Erik de Jong (uni A'dam) ir. Bruno Doedens (SLeM)	2011	March	Regentesse-Zuid, The Hague, NL
A landscape approach to sustainable coastal tourism	Luuk van den Berg Dion Koens	Marlies Brinkhuijsen Irena Ateljevic (SRA)	2011	June	Murter Island, Croatia
Bringing the ecosystem services concept to landscape architecture	Marjo van Lierop	Ingrid Duchhart Paul Opdam	2011	August	(minor)
Coloring 'experiences' along the motorway	Ilinana Gkini	Paul Roncken Adriaan van Haaften	2011		Motorways, NL
Landscape Planning and Design for a Shrinking Region	Koen van Nieuwenhoven Ralph Tangelder Tom Verbruggen	Sven Stremke Raoul Beunen (LUP) Joren Jacobs (Radboud U. Nijmegen)	2011	September	South-Limburg, NL
Landschapsplan Nederland	Jonas Papenberg Remco van der Togt	Marlies Brinkhuijsen Harm Harlings (Staatsbosbeheer) Jan Janse (Staatsbosbeheer)	2011		study, NL
New meaning of 'Jingshi' concept in chinese old towns	Hu Yanmin	Sanda Lenzholzer Jusuck Koh	2011	November	Shanxi Province, China
op de smalle grens van stad naar land	Gijs Breeman	Paul Roncken	2011	November	Bunschoten-Spakenburg, NL
Plug-Ins: a transformative approach	Malu Cayetano Molina	Ingrid Duchhart Rafael Escribano Bombin (Technical U. Madrid)	2011	March	Madrid, Spain
Public spaces as behavioural settings	Sjoerd van Telgen	Jusuck Koh	2011	December	The Hague, NL
Railway panoramas	Sander van den Helm	Marlies Brinkhuijsen	2011	June	NL
Rainwater Harvesting in Metropolitan Area	Qian Jieyan	Sanda Lenzholzer	2011		Rotterdam, NL
Resilient islands	Pim Kupers	Rudi van Etteger Ingrid Duchhart Gijs van den Boomen (KuiperCompagnons)	2011	July	Addu Atoll, Maldives
Roles revealed	Iris Zwartkruis	Ingrid Duchhart Jeroen Kruit (Alterra)	2011	May	Zutphen, NL
The energy neutral district	Erik Smits	Sven Stremke Rudi van Etteger	2011	October	Emmen, NL
Vibrant land	Inge Kersten Jorrit Noordhuizen	Rudi van Etteger Paul Roncken	2011		North Carolina, USA
A GIS based framework for historic landscape design analysis as a support for future interventions.	Luc Joosten	Paul Roncken Erik de Jong (Uni of A'dam) Ron van Lammeren (GIS)	2012	April	Castle Rosendael, Velp, NL
A sustainable landscape for Arnhem. The contribution energy transition has to CO2 neutrality.	Taicia Marques Jaime Gomez de la Fuente	Sven Stremke Dirk Sijmons Andy van den Dobbelsesteen	2012	July	Arnhem, NL
Adaptive landscape, towards a climate robust future for the 'Blauwe Bron'	Mikel Minkman Jentse Hoekstra	Sven Stremke Prof.Dr.Ir. J.P.M. (Flip) Witte	2012	June	Veluwe, NL
An Agropark as landscape machine. In search for symbiosis.	Ellen Zwartkruis	Paul Roncken drs Madeleine van Mansfeld (Alterra) Ingrid Duchhart	2012	September	Aguascalientes, Mexico
Bring nature back to city. Introduce the Tweekelerbeek in Enschede, The Netherlands.	Hu Xiaolu Chen Yinyi	Ingrid Duchhart Henk de Haan	2012	September	Enschede, NL
Connecting Left Over Rural Landscape To The Metropolitan Network	Ward Maaswinkel	Ingrid Duchhart Ir.J. (Jhon) van Veelen (Landschap in Verandering)	2012	November	Parkstad to Aachen, NL and Germany
CPUL in Urban Business District	Jie Cong	Ingrid Duchhart	2012	Februari	Amsterdam, NL
Create eco-friendly and attractive rural landscape	Han Shuangyu	Ingrid Duchhart	2012	Januari	Binnenveld, NL
Designed Regional Landscapes	Lisanne Struckman	Rudi van Etteger	2012	May	study, NL
Designing an attractive biomass producing city of Wageningen	Minmin Gao	Ingrid Duchhart Renee de Waal	2012		Wageningen, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Designing landscapes with High-Voltage substations	Dirk Oudes	Ingrid Duchhart Renee de Waal Ir. J (Jhon) van Veelen (Landschap in Verandering) Ir. N. (Nick) van den Broek (Tennet)	2012	March	Breukelen and Tilburg, NL
Dream with the Poetic Blue	Yinyin Liu	Jusuck Koh	2012	March	Chongming, Shanghai, China
Experiencing climate proof dikes	Anne-Margreet Niemeijer	Rudi van Etteger Dr.Ir. M. (Martijn) Duineveld (Cultural Geography Group)	2012	August	Opheusden-Rijswijk, NL
Greening Building Blocks to Mitigate Heat	Yuqiao Liu Yi Shan	Sanda Lenzholzer Wiebke Klemm	2012	November	Rotterdam, NL
Hidden Power - Veenkolonien 3.0	Tim Snippert	Sven Stremke Rudi van Etteger	2012	March	Veenkolonien, NL
Landfill restoration and redevelopment by landscape design	Hao Liu	Rudi van Etteger	2012	Februari	Barneveld, NL
PermaCity	Fiona Morris	Ingrid Duchhart Sanda Lenzholzer	2012	May	Wythenshawe, Manchester, UK
Pulse. A strategic landscape design for Yili Region, Taihu Basin (China).	Huina Wang	Ingrid Duchhart ir. Hans van Kempen (Losstadomland Landscape Architecture)	2012	April	Yili Region, China
Revelation of the blue energy landscape.	Karlijn Looman Koen Verhoeven	Sven Stremke Renee de Waal	2012	May	Zeeland, NL
Revitalizing Post-earthquake city.	Zhou Chunhui	Ingrid Duchhart	2012	October	Gong Liu, China
Revitalizing Zeeuws-Vlaanderen	Gerjanne Brink Rene van Seumeren	Ingrid Duchhart	2012	November	Zeeuws-Vlaanderen, NL
Sacredness in daily environments.	Elise Quaedvlieg	Jusuck Koh	2012	March	Rotterdam, NL
Sowing to harvest. A strategy linking land-use activities of local communities to regional actors in the Maranhao Babassu Forest, Brazil.	Toon Roosen Geert-Willem Arentsen	Ingrid Duchhart Raoul Beunen (LUP) dr. ir. Larissa Barreto (Universidade Fedral do Maranhao, Oceanography and Limnology Department, Sustainability of Ecosystems)	2012	August	Maranhao Babassu, Brazil
Study-related stress and Campus design. Adolescents' perception on nature, restoration from study related stress and campus landscape design.	Sri Shindi Indira		2012	Februari	(article)
The Ems Full Hybrid	Jonas Papenborg Remco van der Togt	Paul Roncken Ir. Harro de Jong (buroharro)	2012		Ems, NL
The park as instrument for an ecological democracy.	Sjoerd Brandsma	Jusuck Koh	2012	March	Park Immerloo, Arnhem, NL
The Possibilities of Urban Agriculture in Tuinen van West.	Judith Bouwman	Sanda Lenzholzer	2012	March	Amsterdam, NL
To sense the river. An urban floodplain design strategy to experience the Oder in Wroclaw, Poland.	Emilia Zemplak	Rudi van Etteger	2012	September	Wroclaw, Poland
Urban Acupuncture in Rotterdam. As an approach towards urban identity.	Sjoerd Radstaak	Gabrielle Bartelse	2012	August	Rotterdam, NL
Urban Green-Water scape on Street Level. Landscape Approach towards Soil-based Stormwater Management in Dutch Cities.	Ya-Ping Chang Yinan Ji	Wiebke Klemm Sanda Lenzholzer	2012	November	Rotterdam and Nijmegen, NL
Urban Shrink, causes, effect, and main strategies.	Ellen Zwartkruis Tim Snippert		2012	November	several locations and countries
Urban Stormwater Landscape. Improvement and integration.	Xin Hua Ziyi Liu	Rudi van Etteger	2012	December	Rotterdam, NL
Wageningen Waterscape. Urban water system adaptation to climate change.	Yi Zhou	Sanda Lenzholzer	2012	Januari	Wageningen, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
A systematic analysis of urban green types in three Dutch cities.	Merel Enserink	Wiebke Klemm Ingrid Duchhart	2013	Januari	Arnhem, Rotterdam, Utrecht, NL
Borderland. An imagineering based approach to a cross border landscape design for Euregion Meuse-Rhine.	Maarten Kool	Marlies Brinkhuijsen Annet Kempenaar Renee de Waal	2013	December	Three countries Park, NL, Belgium, Germany
Bridging Utrecht. Infrastructure as strategy.	Marie Baartmans Marijn P. Struik	Paul Roncken Marlies Brinkhuijsen	2013	December	Utrecht, NL
Community supported landscape regeneration.	Flore Bijker Lian Kasper	Paul Roncken dr.ir. Harro Maat (ass.prof. Knowledge, Technology and Innovation WUR)	2013	September	Vechtplassen, NL
Cyclone resilient landscape. The case of Vatomandry, Madagascar.	Esther Bergstra Roxanne Hornman	Ingrid Duchhart Annet Kempenaar	2013	July	Vatomandry, Madagaskar
Design changing time. Exploring design language for embodied time experience on Wageningen UR Campus. Time changing design.	Iulia Dobrovie	Jusuck Koh	2013	December	Wageningen, NL
Design Language. A design experiment in the industrial area of Coevorden. Sketchbook.	Jessie Wolters Loes van Schie	Rudi van Etteger Paul Roncken	2013	September	Coevorden, NL
Doorstep landscape. Towards an inclusion of the space-pump in the design of a metropolitian food cluster in Venray.	Renze van Och	Paul Roncken dr. P.J.A.M. Smeets (Alterra)	2013	June	Venray, NL
Dynamic landscape sensations. Exploring a design method for interactive landscape experiences and one prototype design for island 'Tiengemeten'.	Roel Theunissen	Paul Roncken Adriaan Geuze Rudi van Etteger	2013	October	Tiengemeten, NL
Energy and landscape experience. A research and design project on sustainable energy landscape experiences with Zwijndrecht Municipality as test case.	Stijn Tjihuis	Sven Stremke Renee de Waal	2013	July	Zwijndrecht, NL
Flowing Zoo.	Arnout Bol	Jusuck Koh Sven Stremke	2013	December	Emmen, NL
Green elements in street canyons. Research by design for heat mitigatin and thermal comfort in urban areas.	Irina Hotkevica	Wiebke Klemm Sanda Lenzholzer	2013	August	Rotterdam, NL
INST.E.P. INfraSTructure Energy Pulse.	Roxana Florescu Lucia Pro	Sven Stremke prof.ir. Dirk Sijmons (TU Delft)	2013	June	Kerkrade- Heerlen, NL
Liveable city. Embodied experience research and design on Almere City Center.	Ioana Nica	Jusuck Koh	2013	March	Almere, NL
Living landscape restoration. The common vision for the Hartland in the Baviaanskloof.	Jordy Stokhof de Jong	Ingrid Duchhart ir. J.R. de Vries (WUR) D. van den Broeck (Living Lands) M. Zwinkels (Living Lands)	2013	Februari	Baviaanskloof, South Africa
Post-war landscapes in Beirut city. A close insight into the Beirut Greenline.	Karel Matar	Ingrid Duchhart dr. Claudio Minca dr. Jala Makhzoumi	2013	June	Beirut, Libanon
Re-linking the rural landscape with the urban fabric.	Jac Duijf	Ingrid Duchhart ir. Jhon van Veelen (Landschap in Verandering)	2013	Februari	several areas, NL
Steering protective growth. Protecting water in an unplanned and rapidly growing city. Arnavurkoy, Istanbul, Turkey.	Dirk Harden Jeroen Castricum	Ingrid Duchhart Rudi van Etteger Jaap van der Salm MSc (HNS Landschapsarchitecten)	2013	July	Arnavutkoy, Istanbul, Turkey
The Ems full hybrid. A landscape design for a troubled estuary.	Jonas Papenborg Remco van der Togt	Paul Roncken ir. Harro de Jong (buroharro)	2013	July	Ems, NL
The regional-local nexus. A landscape-based integral design strategy for sustainable tourism development in coastal landscapes. Case study Dubrovnik Riviera.	Jesper Borsje Ruud D.F.J. Tak	Marlies Brinkhuijsen dr. Irena Ateljevic (visiting prof. WUR)	2013	Februari	Dubrovnik Riviera, Croatia
Unchain the water way. A systemic approach toward a flexible water system in Yilan Plain.	Jhan Ye Wang	Ingrid Duchhart Rudi van Etteger	2013	November	Yilan Plain, Taiwan
Water based. A landscape approach to the Basque flood problem.	Hessel Rasch Teun Schuwer	Ingrid Duchhart Paul Roncken	2013	October	Basque Country, Spain
Waterworks. Testing and designing for the Nature and Urban Stormwater Synergy (NUSS) in Tampa, Florida.	Lisa Verbon	Sanda Lenzholzer Rudi van Etteger	2013	September	Florida, USA

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
A future for the past. A new destination for Fort Honswijk.	Eline van Bommel	Rudi van Etteger Gabrielle Bartelse	2014	Januari	Fort Honswijk, NL
A systems approach to the relation between landscape and animal husbandry.	Anne van Schaijk	Rudi van Etteger	2014	Februari	Den Bosch-Oss-Veghel, NL
Adaptive reuse for monastic complexes in the rural environment of Zuid-Limburg. An exploration of different design options.	Moniek Widdershoven	Paul Roncken Joks Janssen (WUR)	2014	December	South-Limburg, NL
Bike KinAesthetics. A landscape approach to a new bike highway between Ede and Arnhem.	Francis Schaefers	Rudi van Etteger	2014	June	Ede-Arnhem, NL
Bridging Utrecht. Infrastructure as strategy.	Marie Baartmans Marijn P. Struik	Paul Roncken Marlies Brinkhuijsen	2014	May	Utrecht, NL
City shrinkage. Renewing the casco approach for shrinking cities in the Netherlands.	Inge Hoekstra Joelle Mulkens	Sanda Lenzholzer	2014	June	Delfzijl, Den Helder, Heerlen, NL
Confluent ecologies. In the Hackensack Meadowlands.	Gerard Cadger	Adriaan Geuze	2014	December	New Jersey, Meadowlands, USA
DeltaLab. Designing delta ecosystems: the Ebro Delta.	Davide Caspani	Sven Stremke Adriaan Geuze	2014	September	Catalunia, Spain
Designing with landscape identity. A landscape identity based approach to landscape analysis and design for the Scheller and Oldeneler Buitenwaarden.	Romy Zwiers	Marlies Brinkhuijsen	2014	Februari	Schelle-Oldeneel, NL
Developing sustainable energy landscape Lingezegeen.	Lars Beurskens	Sven Stremke	2014	May	park Lingezegeen, NL
Dry Waterscapes. Landscape based green infrastructure in Tuscon, Arizona.	Roel Winder	Ingrid Duchhart Sanda Lenzholzer	2014	December	Arizona, USA
Energiedijk. Duurzame waterkering in Noord-Groningen.	Melanie Koning	Sven Stremke Ingrid Duchhart	2014	May	Groningen, NL
Farming the sun. Design strategies for solar parks in Noord-Brabant.	Fan Yang	Sven Stremke Esther Bergstra	2014	Augustus	Brabant, NL
Gotong Royong. Working Together. Transformative landscape based design with kampung communities in West-Java, Indonesia.	Thomas van der Berg Hanshu Liu	Ingrid Duchhart Ir. Wiwi Tjioek (extern)	2014	August	Java, Indonesia
Growing Delight. The aesthetic dimension of urban gardening in Amsterdam.	Fruzsina Gyertyan	Ingrid Duchhart Arnold van der Valk (LUP) Charlotte Buys (DRO Amsterdam)	2014	November	Amsterdam, NL
Growing up in cities. Researching the playability of a dense prosperous neighbourhood.	Sabine van den Berg	Sanda Lenzholzer	2014	December	Statenkwartier, The Hague, NL
Landscape Architects at the beginning of a participatory process. Making use of landscape architect's design skills to start a discussion.	Liset Faber	Sanda Lenzholzer Martijn Duineveld (c.g.Cultural Geogrophy)	2014	September	Thialf, Arnhem, NL
Metropolitan landscape. A development strategy for Park21. Learning from the international context of Metropolitan Parks.	Andrea Hulsebosch	Marlies Brinkhuijsen Peter Kurstjens	2014	Januari	Haarlemmermeer, NL
Murmur of limits. Evoking the sensuous encounter between ecological phenomena and humans.	Naiara Valcarlos	Ingrid Duchhart Pieter Veen (VISTA)	2014	July	Schouwen Duiveland, Zeeland, NL
Oil sands. A landscape based design approach towards a more sustainable landscape system.	Anne Nijland Floortje Goossens	Ingrid Duchhart Paul Roncken	2014	Oktober	Alberta, Canada
On designing experienceable stories. In the Unknown Landscapes of the First World War.	Jaap Dirk Tump	Paul Roncken Rudi van Etteger	2014	September	France, Belgium, Switzerland
Performing Urban Landscapes. For creating physically and mentally sustainable cities.	Dianne van de Berkt Vivien Francis	Ingrid Duchhart	2014	December	Limassol, Cyprus
Rightful landscape. A response to an unexpectedly long stay in the Zaatari camp.	Robert Kruijt	Ingrid Duchhart	2014	December	Zaatari, Jordan
Shifting the sands. A playful landscape design at the Kop van Schouwen.	Hester Annema Elisabeth Floris	Rudi van Etteger	2014	December	Kop van Schousen, Zeeland, NL
Sublime Flooding of the Maniny Brownfield. Awaking a sublime sensation by sustainable brownfield re-development.	Zuzana Jancovicova	Paul Roncken	2014	December	Prague, Czech Republic

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
The phenomenology of publicness. Designing an accessible and inclusive Binnengasthuis area.	Tesse Bijlsma	Rudi van Etteger	2014	July	Binnengasthuis area, Utrecht, NL
The use of narrative in the design of sustainable energy landscapes, a case study.	Karmijn van den Berg	Renee de Waal Ingrid Duchhart	2014	July	Wageningen, NL
Urban and ecological ambitions unified in a waterproof environment. A landscape based design approach for pilot area Veenendaal-Oost.	Hannah (J.H.) de Winter	Ingrid Duchhart	2014	December	Veenendaal, NL
Waddendijkland voor Fryslan. Verkenning van principes voor duurzame recreatie en toerisme in een landschapsonwerp voor de Friesse waddenkust.	Lucia van der Lee	Marlies Brinkhuijsen Ingrid Duchhart DLG medewerkers	2014	August	Friesland, NL
Works of the sublime. Sublime design of the everyday work landscape in the Hamerstraatgebied.	Abel Coenen Sascha Geneste	Paul Roncken	2014	December	Amsterdam, NL
	Anne-Marie Lousberg		2014	December	
The phenomenology of Dutch nature.	Ludo Dings	Rudi van Etteger	2015	Januari	Millingerwaard, Oostvaardersplassen, Veluwezoom, 'sGravelande, NL
Urban energy Metaabolism. With a case study on Amsterdam.	Changsoon Choi Tom van Heeswijk	Sven Stremke Ilse Voskamp	2015	Januari	Amsterdam, NL
The minefield of a dissonant site. Exploring design strategies in the context of dissonant heritage.	Sanne van der Mijl	Paul Roncken Prof.Dr.ir Joks Janssen	2015	April	Ijmuiden, NL
Design guidelines for thermally comfortable and attractive streetscapes in harbour areas based on people's perception of street greenery.	Christy Tang	Wiebke Klemm	2015	April	Merwe-Vierhavens, Rotterdam, NL
Where is the exit? Designing an urban escape route in Rotterdam.	Anne Kleine Staartman	Adriaan Geuze	2015	May	Rotterdam, NL
A people's water Landscape. A community based regional landscape design approach for a changing water system.	Frank Jurien Dam	Annet Kempenaar	2015	May	IJsselmeer, Zwarte Water, NL
Adapting and Communicating Urban Climate by Design. Research through designing for improving current urban climate adaptation situation of South Korea.	Yesol Park	Sanda Lenzholzer	2015	November	Seoul, South Korea
The Campus Conundrum. Disentangling an elusive concept by designing the Kuyper Campus.	Ludo Dings	Adriaan Geuze	2015	September	Kyper Campus VU Amsterdam
The Campus Phenomenon. A design for Maastricht Health Campus.	Kevin Knevels	Adriaan Geuze	2015	September	Healt Campus Maastricht, NL
Climate-responsive Urban Edges. Designing thermally comfortable locations for urban growth at the peri-urban zone from the city of Utrecht.	Rick Lensink	Wiebke Klemm Sanda Lenzholzer	2015	July	Utrecht, NL
Dealing with Rewilding in Spain. The case of Arribes del Duero.	Tamara Rijntjes	Marlies Brinkhuijsen	2015	August	Arribes del Suero, Spain
Designing the Shangbu Watershed. An exemplary landscape design for stormwater management in Hanzshou, China.	Gao Shen	Sanda Lenzholzer	2015	June	Hangzhou, China
Double Dutch. An exploratio of the 'Dutch Approach'in Rebuild by Design.	Floor van Gils	Paul Roncken	2015	September	Red Hook, Brooklyn, New York, USA
Exploring the Way. Towards designing a new spirituality on pilgrimage landscapes.	Pim Lucassen	Rudi van Etteger ir. Niek Hazendonk (ministerie van Economische zaken, landbouw en Innovatie)	2015	October	Santiago de Compostela, Spain
Naturally more Malmberget.	Gilles van der Heijden Jules Neefjes	Paul Roncken	2015	September	Malmberget, Sweden
Research by Design on a Sustainable form of Agriculture for the Krimpenerwaard.	Sander Hermens	Adriaan Geuze	2015	November	Krimpenerwaard, NL
Resillience of a Water System in a Changing Climate.	Hanna de Witte	Rudi van Etteger	2015	July	Zwolle, NL
Running Amesterdam. Designing a runner friendly city.	Mart Reiling Thijs Dolders	Marlies Brinkhuijsen Ron van Lammeren (WUR)	2015	December	Amsterdam, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Bara Di Karta Trail. Tourist route as a catalyst for rural development, the case of Washikemba, Bonaire.	Andrea Hulsebosch	Ingrid Duchhart Klaas Metselaar (WUR)	2016	Januari	Washikemba, Bonaire.
At the Edge - of land - of the ocean - of change.	Marit Noest	Ingrid Duchhart	2016	Februari	New Jersey, USA
Percieving without Grieving. Shaping solar energy for an energy neutral Zeeburgereiland, Amsterdam.	Tom van Heeswijk	Sven Stremke Rudi van Etteger	2016	March	Zeeburgereiland, A'dam, NL
Urban River Landscape Restoration. The case of river Grande de Morelia, Mexico.	Erika Rueda Arbesu	Sven Stremke	2016	May	Michoacan de Ocampo, Mexico
Urban Wetlands in the Core of Africa. Protection and creation of urban wetland landscape in Kigali, Rwanda.	Oana Baloi	Ingrid Duchhart	2016	Februari	Kigali, Rwanda
How landscape architects use the concept of ecosystem services? An analysis of landscape architecture projects presented in the book in touch.	Erika Rueda Arbesu	Ingrid Duchhart Marjo van Lierop (as external)	2016	August	France, Switzerland, Spain
Heritage trail from below. A landscape narrative based approach to heritage trail design, case Golden Rock Heritage Trail, St. Eustatius.	Marieke van Zuiden	Ingrid Duchhart	2016	August	St. Eustatius
Future of the place. Place of the future. The niche of the landscape architect within transformations of industrial heritage sites in times of uncertainties.	Rosanne Schrijver	Rudi van Etteger	2016	September	Sugar Factory, Groningen, NL
Strip-S revived. A landscape design for public green space that integrates wastewater treatment.	Vera Hetem	Wiebke Klemm, Katarzyna Kujawa (Environmental Technology Group WUR)	2016	September	Eindhoven, NL
Recycle energy landscape. The natural gas production landscape of Groningen.	Vincent Peters	Sven Stremke	2016	October	Groningen, NL
Refugee meets local. Enhancing a sense of belonging in public space by ubicomp techniques.	Xiaoya Ye	Paul Roncken	2016	September	Arnhem, NL
Van dijk naar dijklandschap. Het meekoppelen van gebiedsopgaven met dijkversterkingen.	Mariska van Reijn	Ingrid Duchhart, Martijn Franssen (Witteveen+Bos)	2016	August	Noord Holland, NL
Move On. Research-through-drawing for flood resilience at the Gaceton coast, TX.	Helena van Boxelaere	Ingrid Duchhart	2016	August	Gaceton coast, Texas
The narratives behind Heritage Trails. Investigation upon the practice and politics of formal heritage making and landscape narratives in the landscape of Sint Eustatius.	Carlo Leonardi	Marlies Brinkhuijsen, H.B. Muzaini (Cultural Geography WUR)	2016	Februari	St. Eustatius
Green-blue infrastructure as a tool to reduce flooding. A landscape-based design - and ecosystem approach for Beira, Mozambique.	Cor Simon	Ingrid Duchhart, Robbert Snep (Urban Ecology WUR)	2016	April	Beira, Mozambique
Culture as base for landscape design. The case of an earthquake-safe community centre for the Mepali mountain village Ashapuri	Michelle Leemkuil	Ingrid Duchhart, Pieter Germeraad (Landscape Architect)	2016	October	Ashapuri, Nepal
The Blue Heart. A seascape approach to synergetic intergration of climate actions in the North Sea.	Changsoon Choi	Sven Stremke	2016	November	North Sea, NL
The essence of the Grebbedijk. A phenomenological approach to designing delta-dikes.	Ruben Isarin	Rudi van Etteger Kevin Raaphorst	2016	October	Grebbedijk, NL
Physical modelling in Landscape Architecture. Exploring a design tool for the explorative phases in dynamic landscape design.	Jolanda de Jong	Paul Roncken, Rudi van Etteger	2016	December	\
Visualizing energy flows in urban microclimates.	Ties Blaauw	Sanda Lenzholzer	2016	November	\
Reconnecting with nature through multi-sensuous experiences in national parks. Designing a multi-sensory nature experience trail in the national park Utrechtse Heuvelrug.	Veronika Kunclova	Rudi van Etteger	2016	December	Utrecht, NL
Embankments 2.0 as part of the transition to a robust watersystem. Perspective for the Frisian Peat Area.	Anna-Jet Leijenaar	Ingrid Duchhart	2016	December	Friesland, NL
A landscape framework for informal settlements. To facilitate urban metabolism in Tete, Mozambique.	Josje Hoefsloot	Ingrid Duchhart, Pieter Germeraad (Landscape Architect), Germain Bakker (Consultant water resources and urban development ARA Zambeza)	2017	July	

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Adapt Green-Blue Space. Implementing the Sustainable urban Drainage System in Rotterdam city context.	Xiaowan Zhang	Daniel Jauslin	2017	August	Rotterdam, NL
A research into the relation between Adaptive Delta Management and Research-through-designing in the Dutch Delta programme.	Ineke van Kapel	Ingrid Duchhart, Maarten van der Vlist, Mark Zandvoort	2017	August	
Testing the usefulness of Research-through-designing within the Adaptive Delat Management approach in a local design case. Sustainable tourism development in Lower Town, Sint Eustatius.	Ineke van Kapel	Ingrid Duchhart	2017	August	Sint Eustatius, Statia
Beyond Ecotourism. Designing a synergy of tourism development and ecological reinforcement in Lac, Bonaire.	Luc Jenniskens	Ingrid Duchhart, Pieter Germeraad, Klaas Metselaar	2017	August	Lac, Bonaire
Bingham Canyon National Park. Reclaiming the Bingham Canyon Mine by transforming it into a new generation of National Park.	Frederik Gotemans	Paul Roncken	2017	August	Bingham, USA
Campanha Urban Park. Activating the potential of the terrain vague.	Stijn Lanter	Marlies Brinkhuijsen	2017	October	Porto, Portugal
Childhood and Wildness. Exploring the way to combine wildness with playfulness for children in their immediate living environment.	Rujia Yu	Rudi van Etteger	2017	Januari	Dukenburg, Utrecht, NL
Designing Slow Motion Woodlands. Making flood reducing woodlands more culturally adopted by incorporatin gproductive values and experiential qualiteis in the Upper Calder Valley, UK.	Arjen Venema	Marlies Brinkhuijsen, Rudi van Etteger	2017	July	Upper Calder Valley, UK
Energy Crystals.Urban Energy Landscape. Design approach an dimplementation for urban sustainable energy landsape of middle port area in Amsterdam municipality.	Xiangjun Chen	Sven Stremke	2017	August	Amsterdam, NL
Experiencing Aachen's hidden streams. A research and design(ing) into the visual experiences of three valleys in and around Aachen.	Rachel Backbier	Ingrid Duchhart, Kevin Raaphorst, Jhon van Veelen (Landschap in Verandering)	2017	July	Aachen, Germany
Experiencing the Post-Mining Wonder. Reclaiming a new purpose for post-minng landscapes in the Quadrilatero Ferrifero (MG), Brazil.	Carlo Leonardi	Paul Roncken, Dr Jose Eustaquio Machado de Paiva (Prof. at Federal University of Minas Gerais)	2017	Februari	Quadrilatero Ferrifero (MG), Brazil
Finding Elusive Quietness. Building tranquil communities in the outskirts of Frankfurt am Main.	Rosanne Weijers	Rudi van Etteger, Sven Stremke	2017	Januari	Frankfurt am Main, Dld
From Hollowing area to Livable Rural Area. Developing agritourism from a perspective of landscape design as a catalyst for sustainable rural development.	Yunjie Yang	Ingrid Duchhart, Niek Roozen (bv)	2017	June	Shenyang, China
Heat Strikes on Tourism. A thermally comfortable tourist route in Thessaloniki.	Antonia Cangosz	Sanda Lenzholzer, Joao Cortesao	2017	June	Thessaloniki, Greece
On That Bicycle. Developing aesthetic cycling infrastructure to improve cycling experience.	Thijs Broers	Rudi van Etteger	2017	August	Utrecht, NL
Performance and Appearance of Business sites through the ecosystem services lens: a design in the Italian Alps.	Federico Lia	Rudi van Etteger, Sven Stremke	2017	August	Italian Alps
Seducing the Urban Visitor. A design study into behavior and preferences of tourists in Amsterdam.	Linde Elsinga	Ingrid Duchhart, Charlotte Buys (gem.A'dam)	2017	Januari	Amsterdam, NL
Thermally Comfortable Running Routes in Amsterdam.	Katarzyna Starzycka	Sanda Lenzholzer	2017	August	Amsterdam, NL
Transform Weather for Cycling. Solutions for thermally comfortable cycling.	David Huijben	Sanda Lenzholzer, Joao Cortesao	2017	Januari	Rotterdam, NL
Truly Cooling Water Bodies. Lowering Urban Heat- Zhonglin Gao stress.		Sanda Lenzholzer, Gert-Jan Steeneveld (Meteo WUR)2017	2017	April	Utrecht, NL
A Warsaw Fortress, 19th century dissonant heritage derelict in a contemporary urban environment.	Kamila Lejman	Paul Roncken, Daniel Jauslin	2017	September	Warsaw, Poland
Water For Life. Towards sustainable protection and development of the Nhartanda valley in Tete, Mozambique.	Rosanne Vlaar	Ingrid Duchhart, Pieter Germeraad (landscape architect)	2017	September	Nhartanda valley in Tete, Mozambique

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Water Machine Networking. Designing a future-proof water network for integral urban development in Sint-Oedenrode, the Netherlands.	Xiao Chen	Paul Roncken	2017	May	Sint-Oedenrode, NL
zonnegroeve Mourik. Designing a socially supported sustainable solar energy landscape in Brunssum, Parkstad Limburg.	Melvin Creemers	Sven Stremke	2017	August	Brunssum, NL
Design with Fire. On the role of landscape architecture in the transition to living with fire.	Laszlo van der Wal	Paul Roncken, Cathelijne Stoof (SGL group WUR)	2017	December	Portugal
The Garden of Tears. A design research for Polish National Forum: in looking for Polish identity and architectural claim of today's generation.	Lukasz K. Bakowski	Adriaan Geuze, Daniel Jauslin	2017		Warsaw, Poland
Infrastructural Landscapes of a Diabolic Motorway. From a barrier to a membrane.	Davor Dusanic	Marlies Brinkhuijsen	2018	January	R'dam A20, NL
Revealing the Urban Climate. A design study on climate revelatory visualisations.	Nina de Munnik	Sanda Lenzholzer	2018	January	Zwolle, NL
Flood-resilient delta for Richmond. An exploration of the possibilities for flood adaptation in the Fraser River delta, Canada.	Jorne van de Water	Ingrid Duchhart, Pieter W. Germeraad	2018	Februari	Canada
Contributing to a Climate Ready Boston. Developing a systematic approach for adaptive design under climate uncertainty.	Nora Kooijmans	Adri van den Brink	2018	April	Boston, USA
Thermally comfortable and accessible spaces for elderly.	Joa van Maaren	Sanda Lenzholzer, Carlijn Q. Wentink (Health and Society)	2018	April	R'dam, NL
Tourism & Hydropower Landscapes. A new point of view on tourism & hydropower plant development in Skafartunga, Iceland.	Sander (A.C.) Smits	Paul Roncken	2018	July	Skafartunga, Iceland
Blind Experience of Nature.	Karin Huijben - de Graaf	Rudi van Etteger, Marlies Brinkhuijsen	2018	August	Alloo, NL
Cultivating Resilience Towards Flood Safety. Local knowledge for landscape design.	Begona Arellano Jaimerena	Rudi van Etteger	2018	July	Atacama Desert, Chile
Revert! A resilient landscape design process towards typhoon and flooding in Cam Kim Island, Hoi An, Vietnam.	Oktaviana Miffatulani	Rudi van Etteger	2018	July	Hoi An, Vietnam
Back in Balance. Towards a carbon neutral peat meadow landscape.	Maarten Vermeer	Rudi van Etteger, Sven Stremke	2018	September	Utrecht, NL
Positive Siting Strategy. A positive strategy for siting and designing wind parks in the National Landscape of South-Limburg.	Maarten Plooi	Sven Stremke	2018	September	South-Limburg, NL
Valletta Soundscape Regeneration. Exploring the soundscape approach in designing urban landscapes.	Eleonora Fiorin	Paul Roncken	2018	October	Valletta, Malta
Cool Heritage. Guidelines for combining bi-climatic design and built cultural heritage.	Freek de Bruijn	Joao Cortesao	2018	December	Den Bosch, NL
Biodiversity by Design. Maximising the biodiversity potential of Rivierenwijk, Utrecht by landscape architecture design.	Petra Severijnen	Rudi van Etteger, Juul Limpens (Plant Ecology and Nature conservation Group)	2018	December	Utrecht, NL
Crocodylia urbanis: co-existing with urban wildlife.	Kareena Kochery	Rudi van Etteger	2018	May	Vadodara, India
Design against desertification. A landscape scenario design study to explore the future of desertification in southeast Spain and develop potential means to combat desertification.	Feline Verbrugge	Rudi van Etteger Niek Hazendonk	2019	May	Spain
Designing reciprocity. Between Lelystad airport and nature network Flevoland.	Jian Long	Ingrid Duchhart ir. JWC Bruggenkamp (landscape architect)	2019	June	Lelystad, NL
From Pilsner to Park. A food systems approach to regional park design in the province of Utrecht.	Brecht Lesemann	Paul Roncken	2019	June	Utrecht, NL
Harvesting sun. Vertical photovoltaic panels in peat meadow landscape.	Qiling Yuan	Sven Stremke	2019	April	Steenwijk, NL
Mangroves? Yes Please. Multi-functional use of mangroves in coastal tourism, Playa Flamingo, Costa Rica.	Teodor F. Barna	Ingrid Duchhart Pieter Germeraad (landscape architect)	2019	June	Playa Flamingo, Costa Rica
Permanent Polder Food. Exploring permaculture theory and cultural food heritage values for the landscape design of a sustainable city region food system in the Haarlemmermeer.	Isabella Hol	Kevin Raaphorst Sjoerd Brandsma	2019	May	Haarlemmermeer, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Rethinking XXL Distribution. A case study in North-Brabant.	Gerwen van der Veen	Adriaan Geuze	2019	June	Tilburg, NL
Safe by Foreland. Developing design principles for foreland in the upstream Dutch river landscape to obtain more than water safety of dikes.	Kris Kersten	Michael van Buren	2019	June	Grebbeijk, Waaldijk, NL
Monkey Business in Apeldoorn. Towards an attractive parking experience at theme parks.	Jack Reijnders	Rudi van Etteger	2019	April	Apeldoorn, NL
Paludiculture Landscape Machine. Regeneration of the raised bog landscape. A case study in the Bargerveen landscape system.	Ruud Hesselink	Rudi van Etteger	2019	Februari	Bargerveen, NL
Tielerwaard-west 2.0. The legacy of the design language in 20th century Dutch landscape plans and its significance in terms of the present and future landscape of Tielerwaard-West.	Francine Kronenberg	Marlies Brinkhuijsen	2019	March	Tielerwaard-West, NL
Revival of disappearing landscapes in Ria de Aveiro, Portugal.	Leonardo Marchese	Ingrid Duchhart	2019	July	Ria de Aveiro, Portugal
A Boost of Nature. Designing a healthy work landscape for the Novio Tech Campus in Nijmegen.	Danielle Emma van Meijeren	Rudi van Etteger	2019	August	Nijmegen, NL
Combining built and natural infrastructure to motivate flood resilient communities in Greater Montreal.	Louise Capelle-Burny	Rudi van Etteger	2019	August	Montreal
Tribute to a Glacier. Designing a Landscape for Melancholic Contemplation.	Alexandra van Zyl	Rudi van Etteger	2019	November	Aotearoa, New Zealand
03:37 - Amatrice Still Exists. Disaster recovery design for the post-quake landscape of Amatrice.	Merel Cozijnsen	Gabrielle Bartelse Kevin Raaphorst	2019	October	Amatrice, Italy
Twin Villages. Settlement development that is in harmony with the agricultural reclaimed landscape in the Rhenish Mining Area.	Amerens Lock	Adriaan Geuze Dr. Ing Timo Matti Wirth (RWTH Aachen University)	2019	December	Rhenish Mining Area, Germany
City meets dairy landscape. Developing food-revelatory design principles to design a productive and experiential dairy landscape in the Amstelscheg.	Merel Gerritsen	Kevin Raaphorst Sjoerd Brandsma	2019	August	Amstelscheg, NL
The bright side of solar energy. How solar energy can be used as a tool to improve spatial quality.	Coos van Ginkel	Sven Stremke Dirk Oudes Ir Steven Slabbers (BoschSlabbers)	2019	December	Haarlemmermeer, NL
Eco Solar Corridor. Discovering the symbiotic strength of utility-scale solar energy systems and ecological networks in Brummen, The Netherlands.	Dominik Kriska	Sven Stremke Dr. Lenneke Slooff-Hoek (TNO)	2019	December	Brummen, NL
Humanizing Streets. The superblocs in the Eixample, Barcelona.	Pamela Acuna Kuchenbecker	Sanda Lenzholzer	2019	October	Barcelona, Spain
Lessons from the past. Historical landscape elements for passive outdoor microclimate control.	Michiel Bakx	Sanda Lenzholzer	2019	August	NL
A new drought resilience casco for the high sand landscapes. A case study of the Baakse Beek-Veengoot system.	Sjors de Greeff	Adriaan Geuze	2019	November	Baakse Beek-Veengoot, NL
Room for the Estuary. An alternative regional landscape design for East Pearl River estuary. An attempt of system approach under Chinese context.	Xinchang Tong	Adriaan Geuze	2019	October	East Pearl River estuary, China
Landscape, a healer for the elderly. Explore a salutogenetic and activating living environment for the elderly.	Shiyi Liu	Rudi van Etteger	2019	December	Zwanenveld, Nijmegen, NL
A Healthy Campus. Introducing healing landscape into Utrecht University.	Siqi Li	Rudi van Etteger	2019	December	Utrecht, NL
Sustainable urban wetland development in India. A case study for Ramsar site Deepor Beel.	Jelmer Boersma	Adri van den Brink Rudi van Etteger Timo Cents (Arcadis)	2019	October	India
XXL Mix. An explorative design study into an alternative way of placing and designing XXL warehousing in the Netherlands.	Joran Lammers	Adriaan Geuze Joao Cortesao Ir Maarten van Riet (Alliander)	2019	November	Dodewaard, NL
Circular Urban Energy Park. Transformation of Hemwegcentrale.	Yingzi Wang	Sven Stremke	2019	November	Amsterdam, NL

Thesis werk waarvan iets of alles op de E.H.S. (externe harde schijf) van LAR staat.

Thesis title	student(s)	supervisor(s)	Year	Month	Location
Landscape Narrative Design Approaches. A Chinese and Dutch comparison.	Lan Yu	Paul Roncken	2019	August	Vechten, NL Qijiang Park, China
