

IPOP Informational Governance Programme

Theme: Theories and methods

2-day workshop 17-18 October 2013

Location: Hermonde, Bornweg 12b, 6721 AH, Bennekom
(Tel: 0318 – 860 213)

Background

The upcoming 2-day workshop is important for further developments of the IPOP IG programme in general and for the projects in particular. The ambition is to interact and learn from each other about theories and methods applicable in an Informational Governance context. We look forward to good discussions and creative ideas!

Aim

The ultimate goal of this 2-day workshop is to capturing the essence of the programme and building coherence between the projects. While doing so we carry on with some four-five articles which can fit into the *special section* with review articles.
