

HBO-minor / Pre-master Facility Management

HBO students of admissible HBO programmes can participate in a HBO-minor Facility Management in the third or fourth year of their HBO study in consultation with the HBO study advisor from their HBO institution.

The HBO-minor of 30 credits is scheduled in Wageningen, in the first, second and third period of the academic year of Wageningen University & Research (September-January).

Admission

To be admitted to the HBO-minor you need to:

1. Have obtained 150 of the 180 credits of the first 3 years (when you are in your fourth year).
2. Show English proficiency. A score of 8 out of 10 on HAVO or 7 out of 10 on VWO for English is sufficient. An English test (RATER) can be taken in Wageningen when one of the former is not the case. The score for the RATER test needs to be at least 70%.
3. Have the permission of the examination committee of your HBO to follow these courses at Wageningen University & Research.

Courses HBO-minor / Pre-master Facility Management

Course nr	Code	Course name	Period	EC
1	MAT-12806	Mathematics M	1 Morning	6

Subscription

When you want to subscribe for the HBO-minor you should subscribe yourself at Wageningen University & Research as 'bijkvakstudent'. This means you are a student at another university or HBO and you follow one or more courses at Wageningen University & Research.

Continue with a Master programme at Wageningen University & Research

Students can use this HBO-minor / Pre-master to enrol in the master programme Management, Economics and Consumer Studies at Wageningen University & Research. Either during their HBO study as a minor or after completion of their HBO study as a Pre-master. Please be aware that admission to the HBO-minor is no automatic admission to the master. If you are planning on enrolling in the master programme, then notify the Wageningen University & Research Study Advisor after you registered for the HBO-minor. One of the profiles you can choose within the master Management, Economics and Consumer Studies is Facility Management.
