

Eco-engineering for coastal resilience

WIAS Seminar

1st of July 2019, Wageningen University

At the occasion of the Thesis defence of Shah Chowdhury at 13.30 H

PROGRAM

- 09:30** **Coffee**
- 09:40** **Welcome**
Em Prof. Dr Johan Verreth, AFI
- 09:50** **Opening**
Em Prof. Dr Aad Smaal
AFI/Wageningen Marine Research
- 10:00** **Coastal resilience and eco-engineers**
Prof. Dr Tom Ysebaert
Wageningen Marine Research/NIOZ/Antwerp University
- 10:20** **Oyster restoration along the USA coast**
Prof. Dr Loren Coen
Florida Atlantic University/ HBOI USA
- 10:40** **Challenges in coastal engineering in Bangladesh**
Prof. Dr Shahadat Hossain
Chittagong University, Bangladesh
- 11:00** **Coffee break**
- 11:20** **Oysters for coastal resilience along the Bangladesh coast**
Shah Chowdhury, MSc,
AFI/ Chittagong University, Bangladesh
- 11:40** **When does shellfish restoration make sense?**
Prof. Dr Jaap van der Meer
Free University Amsterdam/NIOZ
- 12:00** **General Discussion, moderated by Prof. Dr Peter Herman, TUDelft/Deltares**
- 12:15** **Lunch at Zodiac**
- PLEASE** respond to office.afi@wur.nl if you would like to join for lunch
before June 24.
- PLACE** Zodiac (building 122), Room A0107, De Elst 1, 6708 WD Wageningen
