

Bachelor and Master courses in which the Library teaches Information Literacy

Wageningen University & Research – Library; February 2017

Bachelor

BPE-13303	Introduction Molecular Life Sciences and Biotechnology
CPT-12306	Introduction to Strategic Communication
ETE-25812	Environmental Project Studies
FNP-11806	Forest, Nature, Society
FPH-10306	Food Technology I
FQD-21306	Food Packaging
FTE-12303	Introduction Biosystems Engineering part 1
FTE-12803	Introduction Biosystems Engineering part 2
FTE-23606	Data Analysis Biosystems Engineering
GEO-10306	Human Geography
HNE-22806	Food and Health
HSO-10806	Introduction to Health and Society
HSO-31306	Theoretical Approaches in Research for Health and Society
LAR-28806	Concepts and Approches in Landscape Architecture
MAQ-23306	System Earth
MCB-11306	Introduction to Management and Consumer Studies
NEM-10306	Introduction Plant Sciences
PEN-20503	Ecology II
RHI-10506	Introduction to International Development Studies
RHI-10806	Economics and Governance in Historical Perspective
YAS-10306	Introduction Animal Sciences
YBI-85812	BSc Thesis Biology
YEI-10306	Introduction Environmental Sciences
YNH-10302	Basic Skills for BVG-students

Master

ECS-65100	Information Literacy (part of Modular Skills)
EM-SANF	European Masters in SANF
EZO-32303	Laboratory Animal Science
FQD-20306	Food Quality Management Thesis Projects
HAP-30806	Integrated Neuroendocrinology
YMC-61303	Scientific Skills Training
YNH-60312	Continuous Course (DL)
YPS-60315	Plant Breeding Design Cluster (DL)
YSS-31306	Thesis Path MDR
