Szent István University, Gödöllő offers on-campus accommodation to all exchange students. The newly renovated rooms offer students a comfortable environment for study and relaxing. High speed Internet (wired) is present in all rooms and cooking facilities are also available. We recommend this solution to students, as they have quick and easy access to their classes in Gödöllő, as well as plenty of transportation options running regularly to Budapest right at their doorstep.

Prices	Single occupancy: 55,000HUF (~190€) /month
	Double occupancy: 44,000HUF (~150€) /person/month

Deadlines	Autumn Semester	Spring Semester
	Booking: 1 July	Booking: 1 December
	Payment: 31 August	Payment: 15 January

Students must book a room on a semester basis (5 months) up front (**non-refundable**). Students are also able to find off-campus housing on their own. However, we suggest that students exercise caution when doing so and bring along a local friend. Those who do not wish to stay in the hostel for the entire 5 months have the option of booking a room at a daily rate of 3600HUF while they seek alternative accommodation.

Non-EU students who need to apply for a visa **must** book and pay for an entire semester to receive proof of accommodation for their visa application. The hostel will not issue this document for short stay guests.

For more information please contact the hostel at lendvai.agnes@fh.szie.hu, or have a look at the student hostel website at www.sziekollegium.hu/en.

Students can also choose to stay in Budapest which is easily accessible by train, suburban train and bus from Gödöllő. Those who apply for Faculty of Economics and Social Sciences, please be aware that some of the subjects are taught in Budapest too. Those students have to find accommodation by themselves (<http://huniversity.hu/>, www.tmc.co.hu, <https://www.facebook.com/groups/budapestlets>, https://www.facebook.com/pages/Erasmus-Rooms-and-Flats-in-Budapest/201704646535237?ref=br_rs) or with the help of ESN SZIE - Erasmus Student Network voluntary students.

ESN SZIE is a Hungarian section of an international student organization which helps and deals with Erasmus students. The team helps and takes care of exchange students during their staying at our university. For more information visit <http://szie.esn.hu/> or <https://www.facebook.com/ESNSZIE?fref=ts>

Getting around in Hungary

Szent István University is located in Gödöllő, just 36km outside of the capital city of Hungary. There are three forms of public transportation available for traveling between Gödöllő and Budapest. The train and suburban light rail stations are located directly adjacent to the SZIU campus (5-minute walk from dormitories).

Visa Requirements/Residence Permit

Students traveling to Szent István University from outside of the EU will be required to obtain a visa for entry into Hungary. Students must apply for a visa at the Hungarian Embassy or Consulate located in their country. We recommend that students consult their local Hungarian Embassy or Consulate for detailed information on the requirements. Students who will stay in Hungary for longer than 90 days must apply for a residence permit at the regional directorate of the Office for Immigration and Nationality after they arrive.

Health Insurance

All students are required to have full medical insurance coverage for their entire stay in Hungary. Students from other European Union countries can obtain an EU medical card at home before they come. Students from outside of the EU are required to purchase an insurance policy which will cover any medical costs that might arise during their stay. We recommend that students obtain insurance in their home countries. However, it is possible for students to purchase an insurance policy after they arrive. Typical costs of such a policy are around 60-70 Euros per month for full coverage.

Banking in Hungary

ATMs are readily available throughout Hungary and most bank cards are recognized. However, students should note that ATM fees can add up from both your home bank and the owner of the ATM and become quite expensive over time. For this reason, we recommend that students open a local bank account to avoid excessive fees. Most students transfer money monthly from their home bank account to their local account. For more information on banking, students should contact the ERASMUS office at SZIE.
