

World Wide Wageningen Alumni Day, a day to remember

Dear WUR-alumna/alumnus,

We are proud that our alumni all around the world come together to celebrate 100 years Wageningen University & Research. The World Wide Wageningen Alumni Day on 23 June has been celebrated on Wageningen Campus but also at more than 50 [locations in the world](#) and was a great success. WUR alumni around the globe are still joining and celebrating this milestone in their own special and valuable way and at different dates.

For an impression watch the [aftermovie, the WURId Dialogue recording and pictures of all countries](#).

His Majesty King Willem-Alexander planted a [UniversiTTree](#) on Wageningen Campus and already in the rest of the world WUR alumni contributed to a world wide forest of UniversiTrees such as in Brazil, China, Bangladesh and Nepal. Together the UniversiTrees build a lasting memory of WUR!

Enjoy the summertime with family and friends.

With kind regards,
Delia de Vreeze and Team
Wageningen University & Research

WUR on Wheels

Cycling, it's almost as Dutch as cheese, wooden shoes and cows. So, what better way to profile ourselves than on our bicycle. From 15 September to 15 October we cycle virtually- 40.000 km around the world together. Inspire your former fellow student and form a team, or go solo. Share stories about your career path and your eye on the horizon. As a participant you support the [Wageningen Borlaag Youth Institute](#) and thus inspire the changemakers of tomorrow
