

Application form subsidy on management training and education.

Please inform SWU Thymos before you follow the management training or educational. After ending the course this form needs to be filled in. Within 3 months this form must be sent to SWU Thymos together with the other documents. The other documents are a proof of payment, e.g. bank statement, and a proof of success. SWU Thymos only pays the subsidy after the course has been finished successfully.

SWU Thymos will contribute to 1/2 of the total payment up to a maximum of €250,- per association per year. Per person a maximum is €125,- per year applies. Examples of costs of management training and education are: subscription, exam and course materials costs. The contribution of SWU Thymos will be paid to the association, not to the trainee.

The association guarantees that the knowledge obtained from the training will come to good use to the association for at least one year after the course has ended. Does the obtained knowledge disappears with the first half year, the association will give SWU Thymos the contributed money back. If the knowledge disappears with the second half of the first year, the associations will give SWU Thymos half of the contributed money back.

The trainee guarantees that if the trainee gets a paid job at any institution (including SWU Thymos) with the first year of obtaining his or her diploma, the trainee pays back half of his or hers earned money to SWU Thymos up to a maximum of the contributed money paid by SWU Thymos.
