

Join the online event for alumni in Germany

Dear WUR alumna/alumnus,

If getting together in-person isn't possible, let's meet virtually!

On Thursday 7 May at 20.00 hrs you are invited to join alumni from both your own city and other parts of Germany as part of a special online event and borrel for our DEAN* communities in the country.

Programme

The interactive evening programme includes brief updates from the universities, followed by a short talk by TU Delft alumna [Esin Işık](#), senior product designer at Zalando since 2017. During her talk Esin will give us a glimpse inside the company while exploring the role of emotions and big data in the design of digital products used in our daily lives, and how designers work with them. Founded in 2008 in Berlin, Zalando is one of Europe's largest online fashion platforms. The company offers over 2500 brands and an assortment of over 500,000 items to customers from 17 countries with 350 million visits per month to their websites!

Per tradition, our gathering concludes with a virtual borrel (BYOB) where you and fellow alumni living in Berlin, Cologne, Frankfurt, Hamburg, München, Stuttgart and other parts of Germany will be mixed with each other to maximize interactions and stimulate conversations! Make sure to also bring some snacks and drinks for the borrel!

Why are your Alumni Offices organizing this online event?

For alumni who are living outside of their own countries, alumni networks such as DEAN can be extremely useful resources for tapping into fellow alumni for advice and support particularly during crisis periods. The new online event format has been developed to enhance local connections

between alumni and is an addition to the existing channel the [LinkedIn Group DEAN Germany](#) and newly city based WhatsApp Groups.

To join this event register via the button below. Please note that we have a maximum capacity of 100 participants for this activity – if necessary a waiting list will be created. All registrations are taken care of by TU Delft.

Please also complete the form if you are unable to participate but would still like to be added to a local alumni WhatsApp group in your city.
