

Call for abstracts

Second National Ecogenomics Day

Netherlands Ecogenomics Research Organisation (NERO)

April 17, 2009

KNAW – Amsterdam

Keynote Douglas Crawford

Rosenstiel School of Marine and Atmospheric Science, University of Miami, US.

“Evolutionary adaptation by integrating different levels of biological organisation”

Invited speakers

Eric Schrantz (UvA) *Comparative genomics of paleopolyploidy of Arabidopsis relatives*

Colette van Broekgaarden (WUR) *An array of responses to insect feeding*

Ronald Pierik (UU) *Reaching out for light: mechanisms and consequences of plant responses to light quality*

A special poster session will be scheduled.

Deadline for abstracts and registration: March 23, 2009

- Please send your abstracts with author names and affiliation (250 words max.) to Jan.Kammenga@wur.nl or J.Ouborg@science.ru.nl.
- Please indicate whether you prefer a platform of poster presentation.
- Registration fee is 50 Euro, lunch included. Please register by sending your name, address **and invoice address**, to Ms. Dita Smit, BioDetection Systems BV, Dita.Smit@bds.nl. After registration you will receive an invoice.
