

Letter of Support from the Executive Board

Dear Chinese alumna/alumnus,

We hereby express our deepest sympathy and extend our condolences to all our Chinese alumni who are in mourning for the loss of their loved ones, family and friends due to the outbreak of the COVID-19 virus. We would like to wish a speedy recovery to all those who are ill at this moment.

We trust that the measures taken by the Chinese authorities will help to prevent further spreading of the virus. During these difficult times and disruption of daily life, we stand in solidarity with our community of more than 2000 Chinese alumni.

All alumni activities in China have been cancelled until further notice. We will remain in close contact with the Wageningen Alumni Chapters in Beijing, Nanjing and Wuhan and our office in Beijing to follow the situation closely. We hope that the day will soon come that the alumni activities can be resumed and that we continue to further strengthen our highly valued friendships.

To show our support, we have decided to make a financial contribution to the hospital in Wuhan for the purchase of much needed medical materials.

Yours sincerely,

Prof.dr. *ir.* Louise O. Fresco | President of Wageningen University & Research
Prof.dr. *ir.* Arthur P.J. Mol | Rector Magnificus of Wageningen University
and Vice-President of Wageningen University & Research
Rens L.A.C. Buchwaldt MBA | Member Executive Board of Wageningen University & Research
