Institut National Polytechnique de Toulouse

Ecole Nationale Supérieure Agronomique de Toulouse

FACT SHEET 2017 / 2018

INP-ENSA
International Office
INP is a multi cultural University in the South West of France. With 6 campuses and 21 research laboratories, INP offers you the opportunity to study and conduct research within a dynamic and multidisciplinary university of more than 6,000 students and 600 PhD students. Initially INP was composed of three engineering schools: ENSAT, ENSEEIHT, ENSIACET. Since then, 3 other schools ENIT (mechanical engineering), ENM (meteorology), Private institution EIP(agribusiness) have joined the INP.

Institution website  

http://www.ensat.fr

Online course catalogue  
Engineering and Master courses are mostly in French.
The Agrofood chain Master course is entirely in English.

Engineering degree courses:

http://www.ensat.fr/fr/formations/formation-ingenieur/specialisations.html

Master courses: http://www.ensat.fr/fr/formations/masters.html

Application Procedure

All candidates must be nominated by the international office of their home University and nominations will be addressed to the ENSAT International Office (rel-int@ensat.fr)

Nominated candidates will receive a link to submit their e-application on the platform.

- Download, fill and send the pre-application form making sure that the name of the specialization or Master course is mentioned as well as the list of course modules that will be followed. The formal learning agreement will be sent following consent by all parties.
- Students are requested to upload all the documents required on the e-application mobility platform: http://www.ensat.fr/en/international/incoming-exchange-students.html

Application Deadlines

June 1st: For the Fall semester starting Mid-September

November 1st: For the Spring semester starting early February

Procedures are described on: http://www.ensat.fr/en/international/incoming-exchange-students.html

ENSAT Contacts

Academic Advisor for the two-year Agrofood Chain Master held in English (Admissions for exchange students either in Master 1 or 2 level)

Assistant Professor G. N Guyen nguyen@ensat.fr

Academic Advisors for engineering specialisation courses (Master 2 level)

Plant Biosciences: Professor RICKAUER:
martina.rickauer@ensat.fr
Agrogeomatics: Associate Prof. SHEEREN: david.sheeren@ensat.fr

Agro-Management – Project management, Agri-business: Associate Prof. OLIVIER: valerie.olivier@ensat.fr

Food Industry – Innovation and Product quality: Professor MATHIEU: florence.mathieu@ensat.fr

Livestock farming systems: Associate Prof. VITEZICA: zulma.vitezica@ensat.fr

Environmental Engineering – water and waste management and treatments Professor PINELLI: Eric.Pinelli@ensat.fr

Environmental quality and resource management – risk management, management of agricultural impacts: Professor LAFFAILLE: pascal.laffaille@ensat.fr

Computational biology for Biotechnologies: Associate Professor Mohammed ZOUINE: mohamed.zouine@ensat.fr

Agro ecology, environment, territories – sustainable development and land use: Associate Professor Jean-Pierre SARTHOU: Jean-Pierre.Sarthou@toulouse.inra.fr

Bio-processes for fine chemistry and bioindustries (taught at the ENSIACET in collaboration with the ENSAT)

Green Chemistry, taught at the ENSIACET in collaboration with the ENSAT, ENTIRELY IN ENGLISH

Professor VACA GARCIA: Carlos.VacaGarcia@ensiacet.fr

The National Diploma in Oenology (taught in French)

Professor TAILLANDIER: Patricia.Taillandier@ensiacet.fr

http://www.ensat.fr/fr/formations/diplome-national-d-oenologue.html

Academic coordinator for registration in 8th semester

Prof T. LIBOZ, Director of studies Thierry.liboz@ensat.fr

### Academic Information

<table>
<thead>
<tr>
<th>Language requirements</th>
</tr>
</thead>
<tbody>
<tr>
<td>French B2 / English B2</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Study requirements for incoming students</th>
</tr>
</thead>
<tbody>
<tr>
<td>The learning agreement must contain at least <strong>20 ECTS per semester</strong> in the <strong>same year</strong> and in the <strong>same specialisation or Master course</strong></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Our grading system</th>
</tr>
</thead>
<tbody>
<tr>
<td>Our grading system requires a minimum score of 10 to validate every Academic Unit (UE). It is a 20-point scale with the following honors:</td>
</tr>
<tr>
<td>0-&lt;8 = fail</td>
</tr>
<tr>
<td>≥8-10 = students can take another exam in 2(^{nd}) session,</td>
</tr>
<tr>
<td>10 = average, (≈ GPA of 2)</td>
</tr>
<tr>
<td>12 = good, (≈ GPA of 3)</td>
</tr>
<tr>
<td>14 = very good, (≈ GPA of 3.7)</td>
</tr>
<tr>
<td>≥16 = excellent, (≈ GPA of 4.33)</td>
</tr>
<tr>
<td>18 and above = congratulations.</td>
</tr>
<tr>
<td>In practice, it is not a linear scale, therefore outstanding students get a score ≥15. (≈ GPA of 4)</td>
</tr>
</tbody>
</table>

### Miscellaneous

<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>University Halls of Residences (CROUS)</td>
<td>Studios can be booked for 1 semester at least. Students are usually hosted at the Rangueil residence (9 m(^2) studios)</td>
</tr>

• Student hostels (for short stay): www.unme-asso.com

---

### Cost of living

Accommodation: ≈250 €/month (CROUS Halls of Residences)
Public transport (bus, tram and metro) 18€ per year for the card and 10 €/month for students <26 years of age
University restaurants : 3.25€/meal

### Insurances

1. Civil liability insurance (compulsory) ≈ 15€/ year, payment on registration
2. Insurance for the accommodation (compulsory) ≈ 25€/year

Note: for instance “Policy 2” of ADH www.assurances-etudiants.com covers civil liability & accommodation ≈ 30€ / year
3. Health and accident (mandatory for non EU students) 215€ / year (reimburses 70% of medical cost)
4. Complementary health insurance (highly recommended) : 126€/year (refunds about 30% of most medical costs)

### Visa

EU students: No visa required

  http://www.campusfrance.org/fr/page/sinscrire-a-partir-dun-pays-de-lunion-europeenne
Non-EU students: Contact the consular section of the French Embassy of your country

http://www.campusfrance.org/fr/rubrique/preparer-son-sejour

Logistics Assistance

Toul’Box proposes a comprehensive set of services designed to help you to prepare your stay, from early project to complete installation. (Welcome Pack : free / Start Pack 100€ / All in Pack 220€).

https://toulbox.univ-toulouse.fr/

Practical student handbook Ariane:

www.univ-toulouse.fr/vie-etudiante/vie-pratique/guide-pratique-ariane

ENSAT buddies within the “Welcome Team” help international students settle their administrative procedures before starting the semester courses.

French Summer School

The INPT organizes a 4-weeks French scientific course for incoming international students from August 7th to September 1st 2017. This is strongly recommended.

International students are also hosted in our labs for at least 5 months.

Research internships
Written report plus oral defense

http://www.ensat.fr/fr/recherche/laboratoires-de-recherche.html

No French speaking skills required for internships within labs. English B2 level.
