### Why at Wageningen University?

- Largest Food Science department in Europe
- #1 in Shanghai's Global Ranking of Academic Subjects 2017 – Food Science & Technology
- The most international university in The Netherlands
- Worldwide demand for Wageningen University graduates

**EUROPEAN MASTER IN FOOD STUDIES**  
An international & industry oriented MSc programme in Food Science & Technology

**WAGENINGEN**  
UNIVERSITY & RESEARCH

### For whom?

2nd or 3rd year's Bachelor students from Food Science or related programmes worldwide.

40 participants will be selected based on background and motivation. The selection of participants is an ongoing process.

### Costs?

€ 175.- for the programme including accommodation, lunches and three dinners, but own means of transportation.

### What is expected?

- To have good command of English
- To attend all lectures and activities
- To read the study materials in advance

### Accommodation

Your room will be either in a student flat or in a short stay accommodation.

### What else?

The opportunity to meet professionals from different fields, who will provide in-depth analysis on food science topics as well as on further career opportunities in the field.

Great time with international students and mentors!
